# **THREE LAKES HIGH SCHOOL**

## **THREE LAKES, WISCONSIN**

## Foreword

"The future enters into us, in order to  
transform itself in us, long before it happens."

- Rainer Maria Wilke

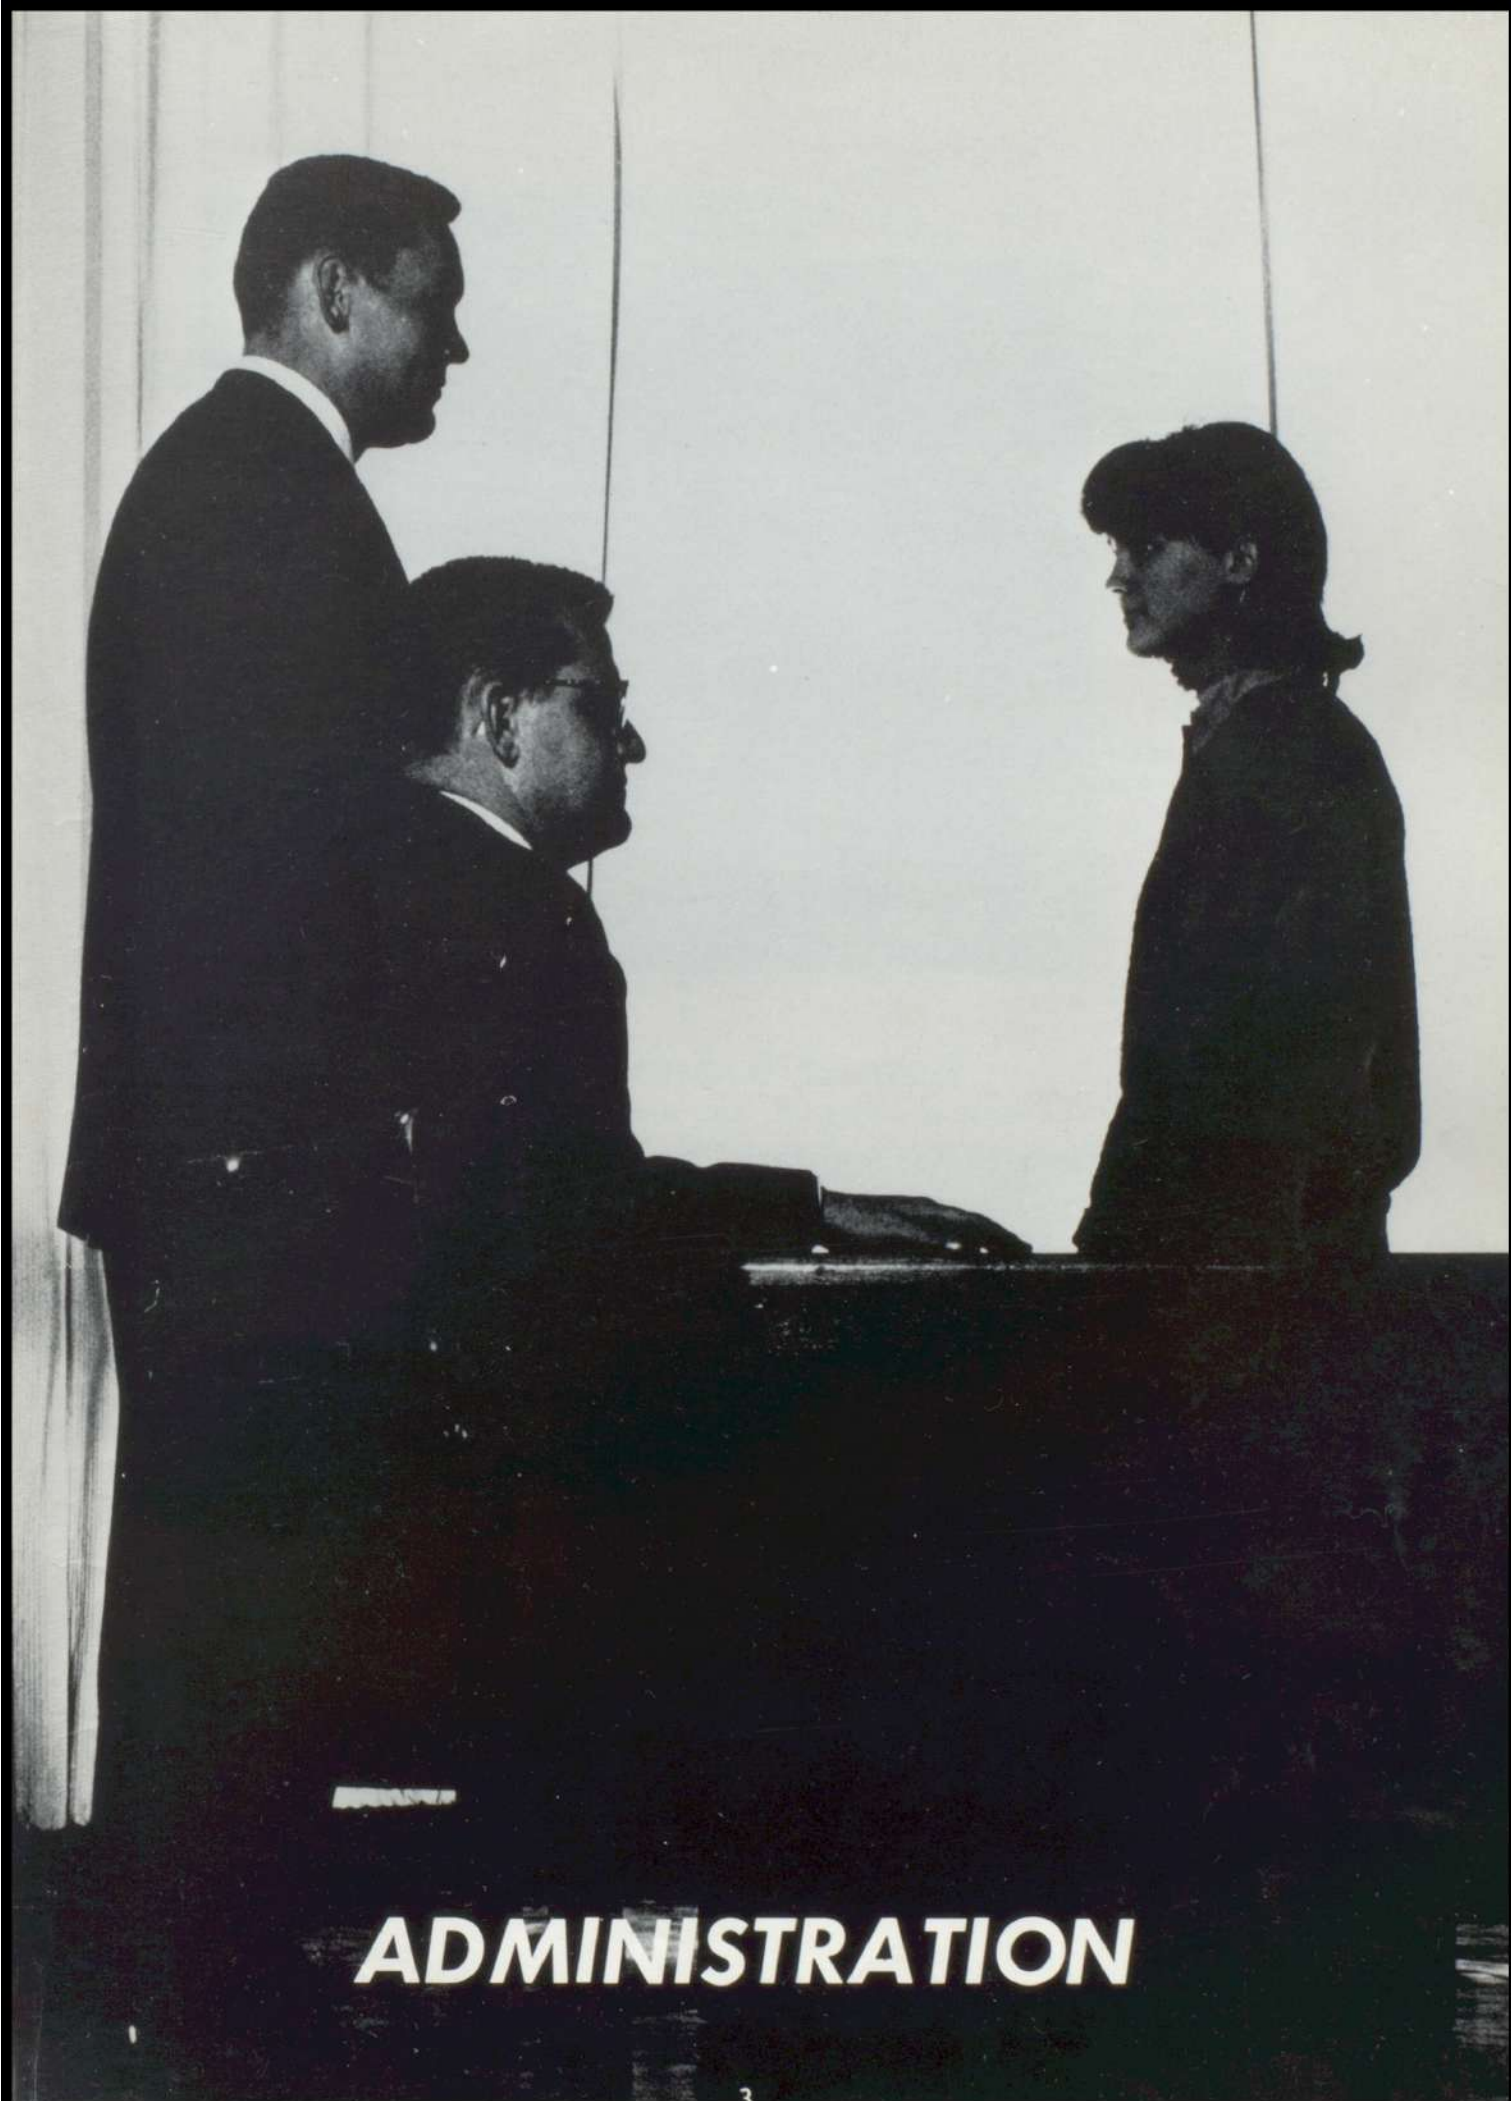

Our high school years are finished, but we do not look back on them only as fond memories of the past. We see them as preparation for the future, when each has felt desires and recognized abilities. The future was already in us when we worked in classes or organizations, and we were transformed to become what we are now.

As we continue in our educations and begin new careers, the abilities and training we possess will become evident in the deeds we do, as we become the sculptors of the future.

*Connie Santogade*

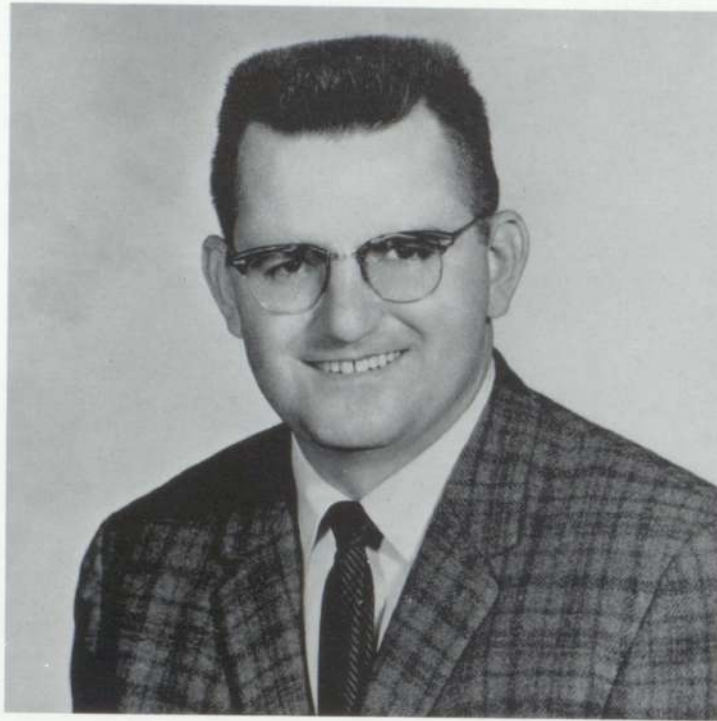

Connie Santogade, Editor

# ADMINISTRATION

"The reward for a thing well done, is to have done it."  
--Ralph Waldo Emerson

Due to the complexities of our modern economic and social systems, the motivation for excellent performances will have to come from you. In an era of technical-professional automation, it is more difficult for someone else to determine whether you are performing at an excellent, mediocre, or fair level. Develop an intense desire to serve your family, employer, community, and country. A "job well done", will prove rewarding both to you and the people with whom you associate.

MARVIN LANSING  
Supervising Principal

Congratulations upon completion of your high school education. As you leave here to enter college, the armed forces, take a job, get married or whatever you might do, remember that high school is not the end but is only preparation for a much more important part of your education. I would hope that you treat these experiences with the attitude that we have tried to instill in you while you were in high school.

Dale Rusch  
Assistant Principal

MR. RUSCH

**FACULTY**

MR. ANDERSON

Two excellent additions to our teaching staff are Mr. Anderson, band director, and Mrs. Anderson, Choral director. Besides Mr. Anderson's duties in Three Lakes, he is also Music Supervisor of Monico and Sugar Camp.

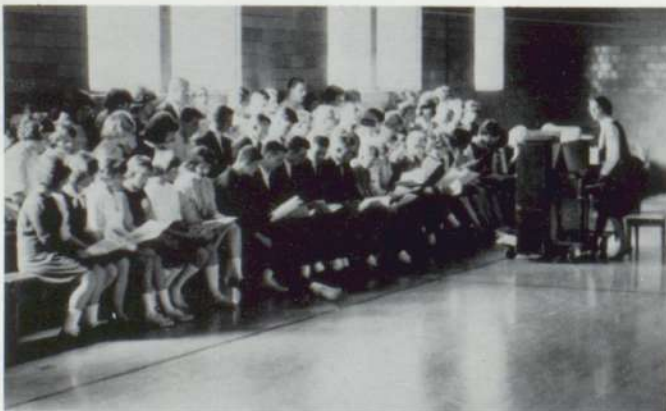

Band

Practice! Practice!

MRS. ANDERSON

Choir

MRS. BARDEN

Mrs. Barden is another of our busy teachers. Besides being Home Economics teacher for five classes a day, she also advises the sophomore class, and Pep Club.

Our many thanks go out to this outstanding teacher and a jolly person for making our year a very happy one.

Home Economics I

Home Economics IV

Home Economics III

The finished product

MR. BONKOWSKI

Mr. Bonkowski spends his day teaching science and mathematics. His classes include Algebra I and General Science; while Chemistry alternates with Physics, and Trigonometry and Solid Geometry alternate with Algebra II.

Extra-curricular responsibilities include advising the Junior class, and chaperoning student basketball buses.

General Science

Chemistry

Algebra

Solid Geometry

MR. DARBY

Girls' and boys' physical education and Geometry are his class responsibilities.

Besides these he is basketball coach and advisor to the "T" Club and Senior class.

Boys' Phy. Ed.

Basketball

Girls' Phy. Ed.

Geometry

MR. DAVIS

Mr. Davis has a day full of activities. The subject taught is English, but his day is filled because this includes Sophomore, Junior and Senior classes.

His extra time finds him working with the Footlites for an upcoming performance.

Elizabethan Literature

English III

English II

Dramatics

MR. GROBE

Besides instructing two classes of English I and American History every year, Mr. Grobe also has World Geography and Civics alternating years.

His extra-curricular responsibilities include Forensics and Student Council.

English I

American History  
Forensics

World Geography

Student Council

MR. JANSEN

The subjects taught by Mr. Jansen are General Business, Shorthand, Office Practice, Typing and Bookkeeping. His day is very busy because he is always switching to a different phase of the business world.

Mr. Jansen spends his extra time advising the Blue Jay Notes staff.

Typing

Shorthand

Office Practice

MISS MOLLE

The classes taught by Miss Molle are Social Problems and Civics. World History is also included in alternating years. Three hours of her day are spent as Librarian. She has also served as the Senior Class Advisor and Annual Staff Advisor.

Social Problems

Civics

Annual Staff

Library

MRS. PAFFRATH

Mrs. Paffrath has the interesting task of teaching her classes (Art I, II, and III) the different phases of art. As District Art Supervisor, she must travel to Sugar Camp and Monico as well as teach the Three Lakes Grade School.

Art III

Art I

ART II

Outdoor Painting

MR. RUSCH

Mr. Rusch spends his day teaching General Math and two classes of Biology, as well as grade school phys. ed. and 8th grade math. He also serves as High School Assistant Principal and Student Guidance Counselor, which makes his day extremely busy.

He is also baseball coach, assistant football coach, and Sophomore Advisor.

General Math

Biology Lecture

Biology Lab

MR. SUNNARBORG

Mr. Sunnarborg is the Industrial Arts instructor, teaching Shop I, II, III, and IV. Shop III includes automechanics and advanced drawing. Shop IV is welding, which deals with metal work of all kinds.

Mr. Sunnarborg's extracurricular activities include being head football coach and Junior Varsity coach, and also Junior Class Advisor.

OFFICERS: Secretary; Annette White, President; Carol Ahlswede, Treasurer; Jackie Pitlik, Vice-President; Ken Walkowski  
ADVISOR: Mr. Grobe

# National Honor Society

The National Honor Society is an organization to honor scholastic ability and citizenship. To qualify, a junior or senior must have at least a B average, with the members selected by the faculty.

Each year thousands of dollars in the form of scholarships are offered to the members. Upon graduation a pendant is received by the members which makes him a life long member of this select group.

BACK: Annette White, Linda West, Susie West, Don Anderson, Linda Leindecker

FRONT: Carol Lamon, Connie Santogade, Jackie Pitlik, Peggy Dart

Smell that aroma!

The Student Council is the student governing body of our school. Three students from each class and one from band are the elected representatives by the students.

Major projects for this year have been Homecoming, the Christmas Dance, purchase of the popcorn popper and selling concessions.

**Bluejay Notes**

**Juniors**

**Seniors**

#### OFFICERS

Vice President: Bob Kotarski  
 Advisor: Mrs. Barden  
 Treasurer: Dave Joswick  
 President: Connie Peterson  
 Secretary: Carol Ahlswede

Our Pep Club - the spirit-promoting organization. Through this club, the students prove to the athletic teams that they aren't alone in their efforts. This year, in order to raise money for cheerleading uniforms, Bluejay Booster Buttons were sold and worn by all members at the games.

Pep meetings are sponsored by the Pep Club. These meetings give the cheerleaders, coaches, teachers, and students an opportunity to promote spirit individually.

## Drama Club

The Footliters Club gives its members a chance to participate in drama through acting, make-up work, publicity, and stage crews.

Early in the year, the club held a one-act play contest with each class presenting their own play. Placing first, the senior's play, "Comrades," traveled to the conference contest in Eagle River and received a "B" rating.

The Footliters also annually present a three-act play in the spring.

## ***The Footliters***

**ACTIVITIES**

# Homecoming

Queen Connie and her court, Barb, Annette, Jackie, Marlene, and Holly reigned over the 1964 Homecoming Activities.

A cool, breezy night was the setting of our bonfire, the introduction to the weekends events.

Although the winds tore at the frills of the floats the next day, it couldn't pierce the spirit that was put into them.

Though we lost the game,  
this same spirit presided  
over all thoughts through  
the closing moments of  
music provided by the  
"Starfires" at the dance.

## Senior Week

Carol Lamon, Director; Bob Ainsworth, Asst. Principal; Peg Dart, Member; Don Anderson, Treasurer; Bob Kotarski, Supervising Principal; Connie Santogade, Secretary; Carol Ahlswede, Member

Student Administrator signs absence excuse.

Senior Week is held each year to give students, nominated by their classmates and selected by their teachers, a chance to observe the operation of our school district.

As they tour the schools, they become acquainted with educational problems, and then seek for solutions. This year's seniors found one solution to the district's problems - a new school!

## Class Tournaments

HELP!

Hey, girls, the game's up here!

Many odd things have been seen during our tournaments, but they always seemed to pan out and provide fun for everyone.

Once a year the classes get to compete against each other in the favorite sport of basketball. The girls of the class of 1965 have had the championship honor for the past three years, while the boys have had the championship for two years.

Come on, who tied my shoestring

I had it first!

## Forensics

Marlene, a freshman,

made it to State!

Our forensics program gives the students an opportunity to practice oratory and reading skills. Each public student spends the first few days selecting and cutting, and the remaining days interpreting and memorizing their entries. When the search begins for secluded practice areas, they find only stairways available.

Tension mounts until the ratings are announced. An "A" rating means you move on to conference, district, and state contests.

"The old man felt faint and sick,  
and he could not see well."

"We've got a whole  
bunch of goodies  
down there. A  
. . . 'lectric fan  
. . . "

"Our country should  
stand up for all its  
statements and  
actions."

"We must continue in the footsteps  
of the past."

"And Grant,  
in a drunken  
stupor, sur-  
rendered his  
sword."

## Sophomore Carnival

You're going to eat this banana

Step right up and win a prize

Don't cry over spilled milk

Come on seven!!!

Tell your fortune?

# Lyceums

A pleasant change in our learning experience:

"Our royal master's murdered"

Excerpts from Macbeth

"knock-a-knock-a-knock-a"

Glass-blowing

A musical performance

# Festival of the Arts

Home Economic's Handiwork  
Parents' observe the year's work.

At the spring festival, exhibits are displayed by the Art, Home Economics, and Industrial Arts classes; and each student is represented by a sample of his own work.

Parents and friends have the opportunity to come and criticize or praise the work exhibited.

Ceramics made by mold and by hand.

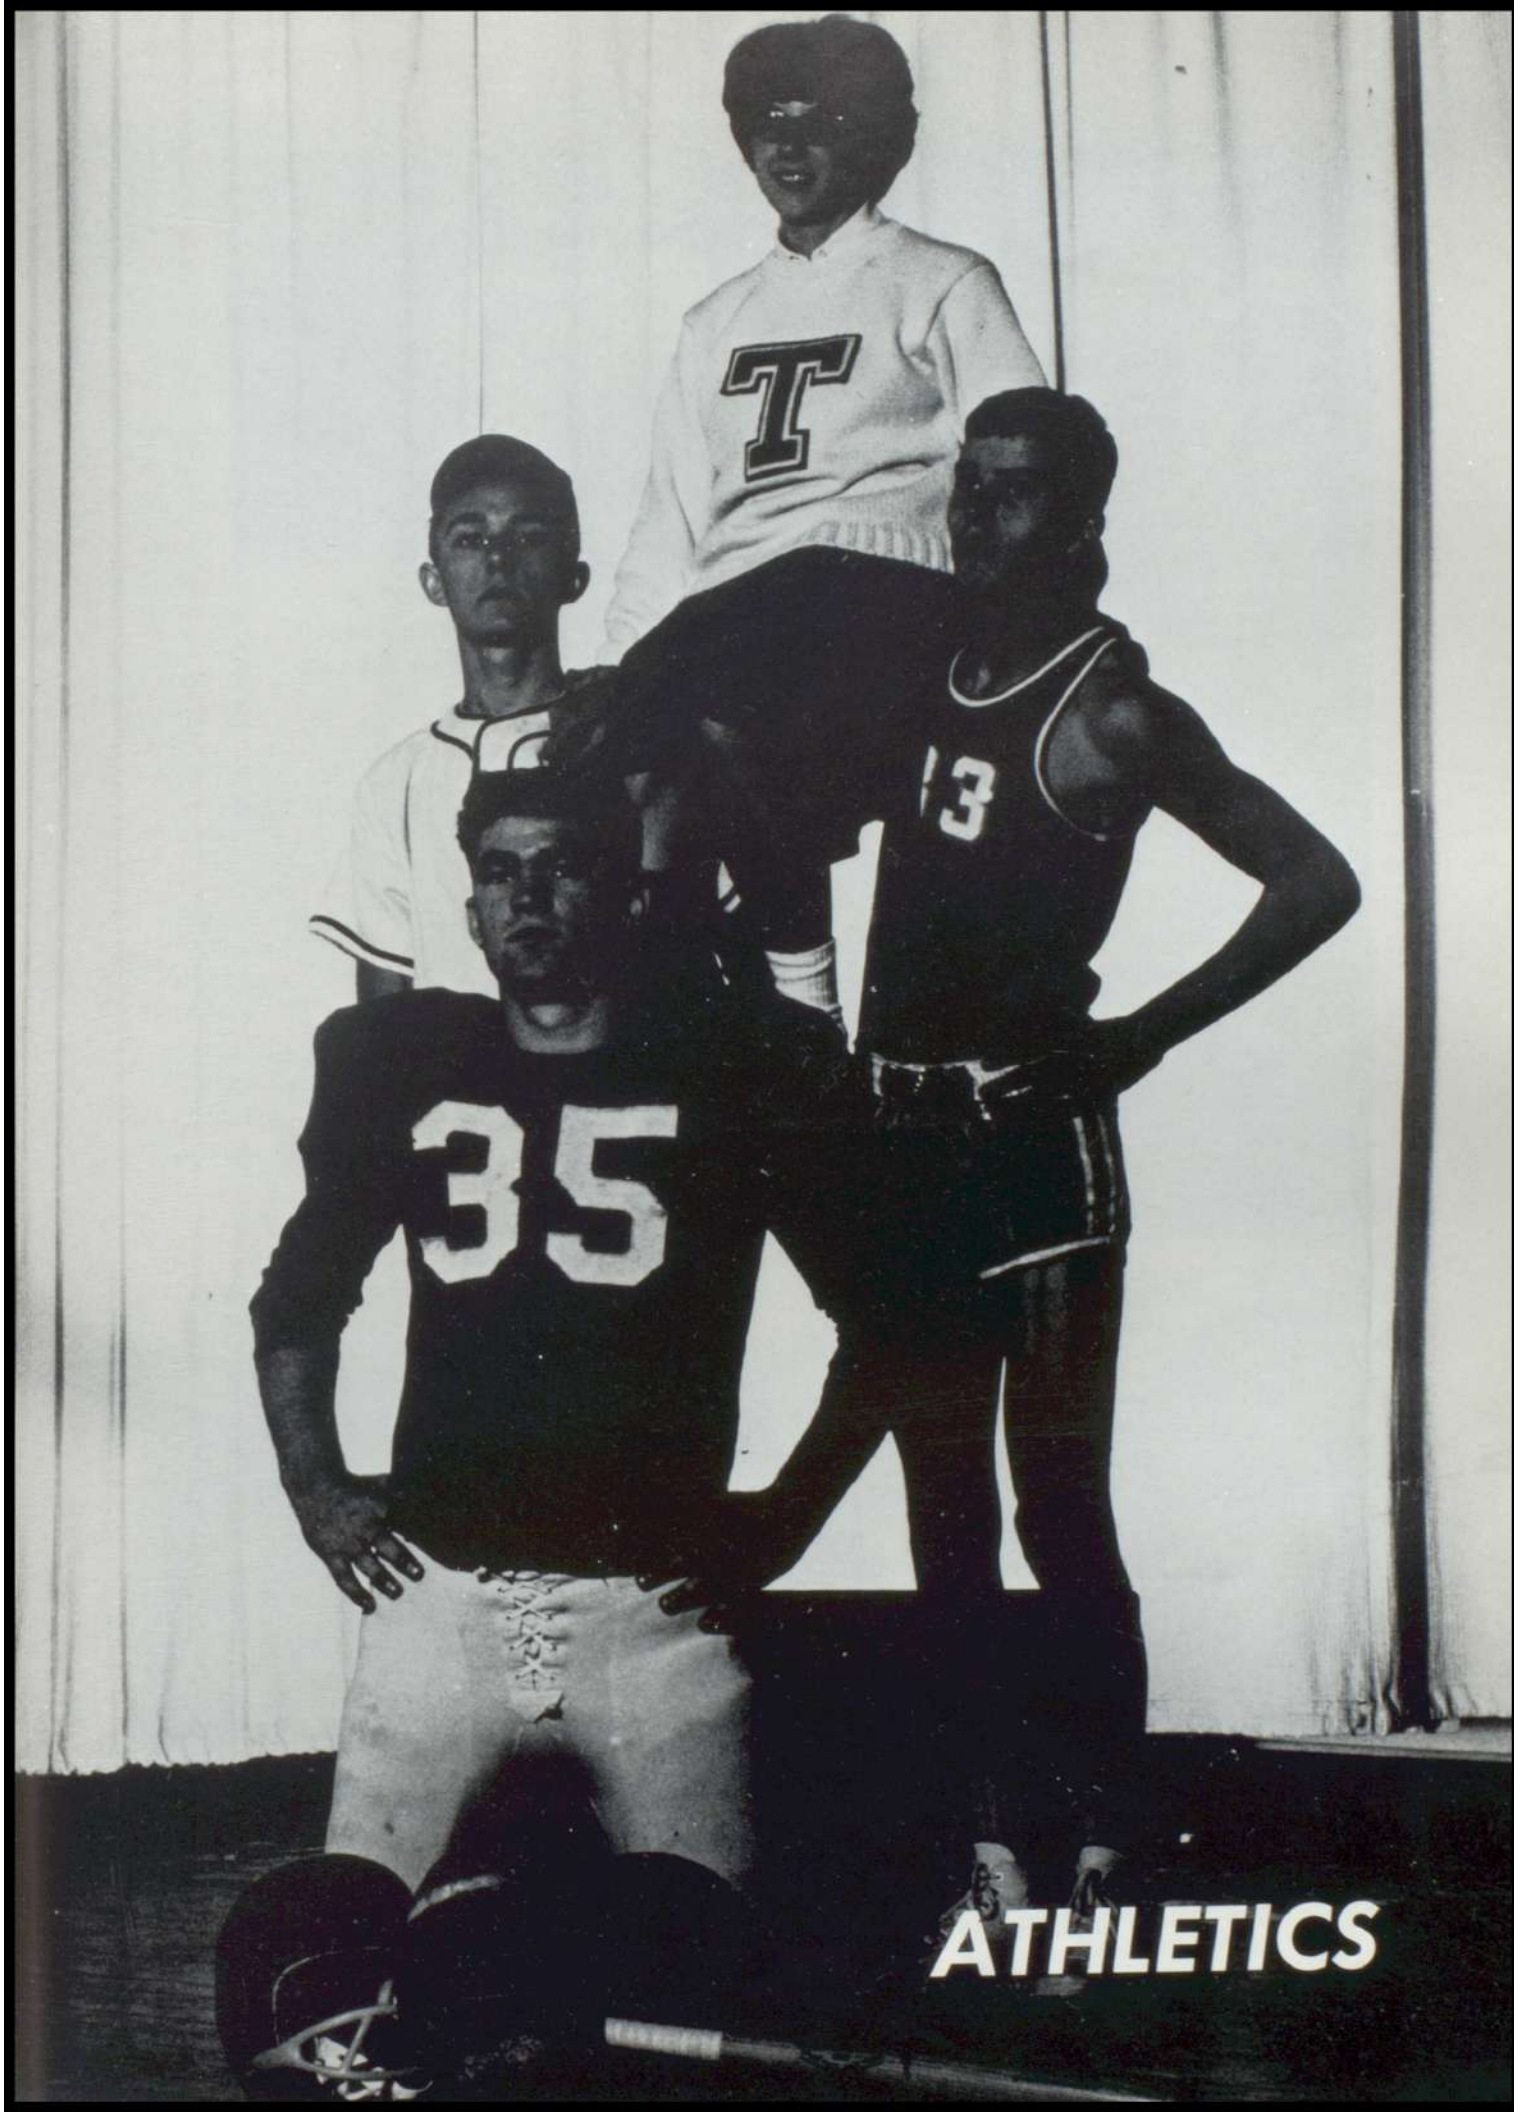

Interested students . . .

Shop class furniture.

After many years of hard luck the mighty Bluejays have recovered the ability to achieve victory. The team started off with the desire to win, and the student body and the townspeople gave them the backing they needed. With each successive victory the gymnasium was packed to capacity, and sometimes to overflowing.

Our success was due to the wholehearted efforts of the team and coach. In the words of one of our cheers, "THEY'RE GREAT."

The Bluejays with Coach Darby and manager, Jerry Yetter
