# **THREE LAKES HIGH SCHOOL**

**Class of 1968**

**Three Lakes, Wisconsin**

Footsteps point forward.

They point to the future.

They are the ghost of a path we have chosen to follow  
as they wind around obstacles while continuously  
pointing ahead.

They push and pull us through dim mists  
and laughingly call to us to quicken our anxiety  
to match their drunken pattern.

"A Community Is Known By The Schools It Keeps." Dr. Glen Eye

A school or school system is a reflection of the community it serves. In most cases it is patterned on the needs and wishes of that community. An informed public should be in a position to know what it wants and needs in its schools, and it is the task of the professional educators to carry out these wishes.

The Three Lakes School District has met its obligation to the high school youth of this area by providing and equipping a modern and highly functional high school building. We, in the Three Lakes School District, are extremely proud of our school system and our new building. The teaching staff, the students, and the communities have all contributed tremendously in helping the school board and administrators to develop the excellent atmosphere for learning that exists in our schools today.

My wish to each of you graduating seniors is that through your experiences at Three Lakes High School you may discover your full potential and be thoroughly prepared to use it for a full, rich and successful life.

ROBERT F. SPROUL  
District Administrator

## Our Dual Man: Instructor and Counselor

With the closing of each school year, another group of students terminates its education in our fine school system. As this year's Senior Class passes beyond these doors, many friendships and associations will also terminate as each class member goes his separate way. Since the nature of life in our world is to have continual change, new friendships and associations will be formed.

It is with some sadness that we observe this with each passing year, but there are also feelings of great hope and expectation for you, young men and women, graduates of 1968. The future of our country and the world depends on your generation and other generations like you. We trust that we, in education, have done our part in preparing you for the challenge ahead.

SENIORS

# Class of '68

"LIFE GOES BY SO QUICKLY; LET'S STOP FOR A MOMENT AND TAKE A LOOK AT IT."

The senior class of 1967 entered TLHS four years ago determined to give the upperclassmen plenty of competition. We entrusted our class leadership to George Rychlock, president; Rick Scholwin, vice president; Ginny Tomaszewski, secretary and Bill Maney, treasurer. Nancy Schneider and Mary Olkowski were our student council members. Our first real class project was our homecoming float.

Leading our class for our Sophomore year were president, Mary Olkowski; vice president, Kathy Kunda; secretary, Ellen Lorbetske and treasurer, Cathy Pitlik. Elected as student council representatives were George Rychlock, Nancy Schneider and Ginny Tomaszewski. With the assistance of our advisors, Mr. Huebner and Mr. Anderson, we sponsored the traditional Sophomore Carnival. Toward the end of our Sophomore year, we selected our class rings, which we received as juniors.

Next along our road of knowledge came our junior year. For this, one of our most important years, we chose Kathy Kunda, president; Cathy Pitlik, vice president; Ginny Tomaszewski, secretary and Lynn Kasmarek, treasurer. During this year, we sponsored the social highlight of our high school years--

our prom. We chose as our theme "Over the Rainbow." Reigning royalty were Queen Cathy Pitlik and King George Rychlock. Rod Tillman and Mary Olkowski represented TLHS at Badger Boys' and Badger Girls' State. We were represented on the student council by George Rychlock, Bill Maney, Mary Olkowski and Ellen Lorbetske.

Our senior year found John Crossen as president, Ray Scholtes as vice president, Liz Hein as secretary and Sue Gensler as treasurer. Mary Olkowski and Gene Szopa reigned over homecoming activities as king and queen. Our advisors, who were again Mr. Huebner and Mr. Anderson, helped guide us down the road to graduation. Ellen Lorbetske took over the student council presidency during this, our final high school year, with senior council members Hollie Isleb, George Rychlock, Bill Maney and Rod Tillman to assist her.

As our final year comes to a close, we leave many precious memories behind and venture confidently into the world that we have spent all these years preparing for, ready to face life squarely and leave our mark on society.

## Badger Citizens

Toward the end of their junior year, Rod Tillman and Mary Olkowski were chosen to attend Badger Boys' and Badger Girls' State. They were chosen because of their scholarship, character, leadership ability, extracurricular activities, and social adaptability. Through this experience, they met many students from all over Wisconsin and gained a much broader knowledge of our government in general.

"JUNIORS WILL NEVER MISS THE BOAT"

## JUNIOR CLASS OFFICERS

Left to Right: Mike Campbell, President; Sherry Ainsworth, Treasurer; Nancy Nolte, Vice President; Beth Kotarski, Secretary.

"A Junior is a student in the third year of a four-year course, " according to Webster. TLHS feels a Junior is much more than this ...

**J**oining many organizations.

**U**nique in their work.

**N**ever failing spirit.

**I**nterested in many fields.

**O**ut going in citizenship.

**R**eady for challenges.

**S**incere in their work.

The Juniors were very much a part of the '67 Homecoming. Although the Juniors came in 3rd place with their float, they felt as if they came in first. The ambition and drive are what really count.

The highlight of the Junior's year was the ever eventful Prom.

"The thoughts of youth are long, long thoughts."

## SOPHOMORE CLASS OFFICERS

The Sophomores this year accepted more responsibilities and showed their individuality in the projects they undertook. Our Projects included creating a Homecoming float, "Time for Victory," which placed second. We also sponsored the Sophomore Carnival and Dance in the spring which is always enjoyed after the long winter months.

Leading our class of '70 were our class officers pictured above. Class advisors, Miss Molle and Mr. Jensen, lent a helping hand when we needed it.

We look forward to another school year in the new school as mighty juniors.

FORWARD FRESHMEN!

FRESHMAN CLASS OFFICERS

Left to Right: Bonnie Schoeneck, President; Kris Samz, Treasurer; Dave Rasmussen, Vice-President; Eleanor Lorbetske, Secretary.

Dazed, confused, and thrilled, we, the class of 1971, entered a new high school on August 29, 1967. The seniors lost no time in initiating us in that one memorable week, and we soon became well aware that we were "greenies."

"Frosh" started the year by putting long hours into the construction of the float. "Bye Bye Birdie" paid off when we took first place in the Homecoming parade.

As the year went by, the freshmen, led by our officers listed above and our advisors, Mr. Grobe and Mr. Bruss, held a class party. The party turned out to be something that our class will remember

years after we graduate from TLHS.

Now that the year is almost over, we reminisce and see that we have had a very memorable year to look back on. As we look ahead, we see only a "clear and sunny" forecast. We have not only discovered that we will be the first class to complete four years of high school in this new school, but also that we are a closely united class and hope to graduate that way.

Three Lakes marches on and on and on in the crisp fall air.

Concert Band participated in many school activities this year, lending music in the background. The group added a note of cheer at our damp Homecoming and performed well at the annual Christmas program attended by both students and parents. This spring Mr. and Mrs. Anderson were busy preparing to host the Solo and Ensemble Contest held at the high school in March. TLHS also hosted the Band Festival in May.

Besides having a new and well-equipped band room, band members also witnessed the arrival of the long-awaited band uniforms, blue trimmed with white, representing the Bluejay colors:

The Band Council has continued this year to think of money making ideas. We proudly reached our goal when we raffled off a stereo at our Christmas program last December. This money was used to make the down payment on our new band uniforms.

# Majorettes

Left to Right: Dedee Sanger, Mary Kulaf, Cathy Pitlik, Joanne Wilkowski, and Cheryl Schroeffer.

Early in the year, the majorettes were chosen by Mr. Anderson in a special tryout session. They were chosen on their twirling ability, rhythm, co-ordination, poise, and on a special routine they made up for themselves. The girls have practiced hard and have been a credit to our band.

... and the band played on!

ADVISORS: MISS MOLLE

MRS. PELONG

OFFICERS: Historian, Hollie Isleb; Vice-President, Barb Stefoni; President, Beth Kotarske, and Secretary-Treasurer, Sherry Ainsworth

The F.T.A. under the guidance of Miss Molle and Mrs. Pelong this year, in addition to its regular teaching duties in the elementary grades and junior high, has taken on the job of raising enough money to sponsor a foreign exchange student. Local and school clubs, personal donations, blanket tosses, and buying back library demerits have made a start in reaching the final \$1850.00 goal. After TLHS has sponsored an AFS student, which is our wish for the 1968-1969 school year, our local chapter will also become eligible to send one of our own students to a foreign country in his junior year.

# FTA Members

SITTING: Vicki Kuester, Judith Gruel, Wanda Tushoski, Mrs. Pelong, Miss Molle, Jane Schroepfer, Pat Bartley, Janet Scholtes, Pam Monroe.

FIRST ROW: Wilma Tushoski, Kathy Maas, Holly Isleb, Debbie Boehm, Carol Kuehl, Barb Stefonek, Sherry Ainsworth, Carol Crossen, Janet Kunda, Kris Samz, Eleanor Lorbetske, Bobbe Wykowski.

SECOND ROW: Richard Lindner, Peter Santogade, James Lindner, Ellen Lorbetske, Jacki Schuldt, Nancy Nolte, Beth Kotarski, Debbie Glembin, Rod Tillman, Liz Hein, Joan Scholtes, Cindy Soberg, Donna Patterson.

FTA member, Kathy Maas, is kept busy helping students in Mrs. Pelong's first grade class. She works with small groups and individual students.

The "king for the day" receives individual help.

LOCAL FORENSICS CONTEST

TOP ROW: Karen Kral, Ellen Lorbetske, Tom Pederson, Rod Tillman, Sue Gensler, and Linda LaPlante.  
 BOTTOM ROW: Barb Albrant, Marianne Lamon, Pete Santogade, Kathy Maas, and Mike Campbell.

## Forensics

Sixteen students altogether experienced public speaking in the local forensics contest. Coached by Mrs. Marty, these students interpreted prose or poetry, gave public addresses, recited declamations or non-original oratories, or wrote their own oratorical speeches.

SUB-DISTRICT CONTEST

Those students receiving "A" ratings at the local contest were given the privilege of traveling to Goodman for the sub-district contest. The students shown, along with four '67 Seniors, became acquainted with the jittery but rewarding prospects of addressing an audience interested in public speaking.

Sue Gensler, a winner at the sub-district forensics contest held at Goodman was scheduled to read her prose interpretation of "Grandmother's Story of Bunker Hill Battle" in the Oshkosh contest. But sickness prevented her attendance.

Shown here is Rod Tillman who, with his original oration entitled "The Draft", was given a "B" rating at the state level. The excitement of addressing a group of teachers and forensics students and being judged by a college dramatics teacher is an experience Rod will never forget.

Cindy Skochil, Kris Sanger, and Sandy Boehm shared Rod's experience, as they too competed at state level. Although Cindy also received a "B", both Sandy and Kris were given "A's"

## Drama Club

Under the supervision of the dramatics coach, Mrs. Mary Marty, the Three Lakes High School Drama Club was involved in its most successful season ever. In early 1967, four students competed in state forensics contest at Madison, two of them receiving A's. Later in the spring, a successful three-act mystery comedy entitled "Finders Creepers" was presented on stage. This past fall, the club earned A's at the local through the regional contests and went on to earn a B at state in one of the two one-act plays produced.

"Finders Creepers" was the story of two young boys, Wilbur and Hercules, who visited Hercules' uncle. Uncle Bob just happened to be a mortician.

The two leads in the play were taken by Dale West and Peter Santogade. Other characters were played by Wayne Glembin, Carol Crossen, Beth Kotarski, Jody Long, Tom Pederson, Nancy Schneider, and Debbie Boehm. Vicki Bonack took over student directing while Mrs. Maryt supervised rehearsals.

"W-W-Wilbur, there's someone in my bed!"

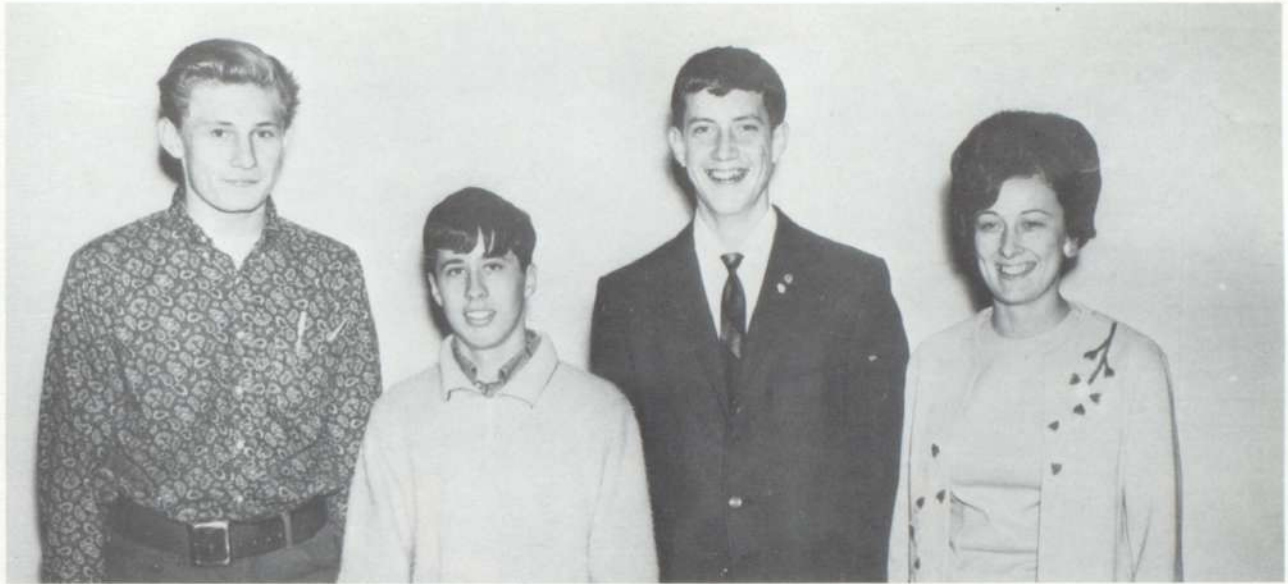

"I've got the villain!" the cry went up. But when the dust cleared, only Granny was captured in the blanket.

"Anastasia" was one of the one-act plays, produced last fall. Starring in it were Carol Kuehl as Anastasia, and Wanda Tushoski as her grandmother. Shown here is an informal rehearsal of the play, which received second place at the local contest.

CAST: Wayne Glembin, Mike Campbell, Rod Tillman, Director Mrs. Marty.

## "Sky Fodder" Goes to State

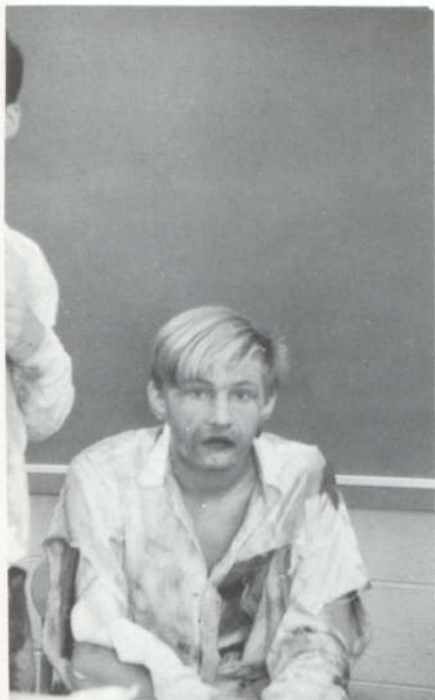

CREW: Diane Sanger, Hollie Isleb, Chaperone Mr. Bonkowski, Nancy Schneider, Pete Santogade, Sherry Ainsworth.

Even the agony of having your face smeared with makeup doesn't overshadow the thrill of acting. And the riotous bus rides to and from competition are only a preliminary to the tense excitement of being on stage.

A unique honor came to our school when "Sky Fodder" achieved state competition, the first time Three Lakes was ever given the opportunity to enter. Rod Tillman, Wayne Glembin, and Mike Campbell portrayed the lost souls of three men killed when a plane crashed in the Louisiana bayous. Under the direction of Mrs. Marty and Pete Santogade, the play, which received a "B" at state, was taped and shown on WAEO TV

# Ski Club

OFFICERS: President, Nancy Schneider; Vice-President, Jim Bollman; and Secretary-Treasurer, Debbie Boehm.

Membership in the ski club jumped from 39 members last year to 62 members this year. The club kicked off the skiing season with a swimming party at the Gateway Hotel. The first few trips were to Gateway Ski Hill to give instructions to the beginners. The club advisor, Mr. Sternard, accompanied the group on their other trips during the year to the Camp 10 Ski Hill outside of Rhinelander

and to Indianhead Mountain, which is in Bessemer, Michigan. The club this year bought eight pairs of skis with the money they had saved and in turn rented these skis to the interested members of the club who could not afford to pay the high prices of the rental equipment at many of the ski hills. The ski club has been entirely self-supporting during the two years of its existence.

## Librarians

A light and spacious library was a great addition in our new high school. Students spent many hours of their study time reading or browsing through books and magazines. Librarians, under the direction of Mill Molle, performed their duties easily and thoroughly giving us a well organized library to enjoy and a pleasant atmosphere to study in.

Many new books lined the library shelves, their covers filled bulletin boards.

At four-thirty the winter sunset creates an eery atmosphere in the quiet room.

## Four Initiated Into National Honor Society

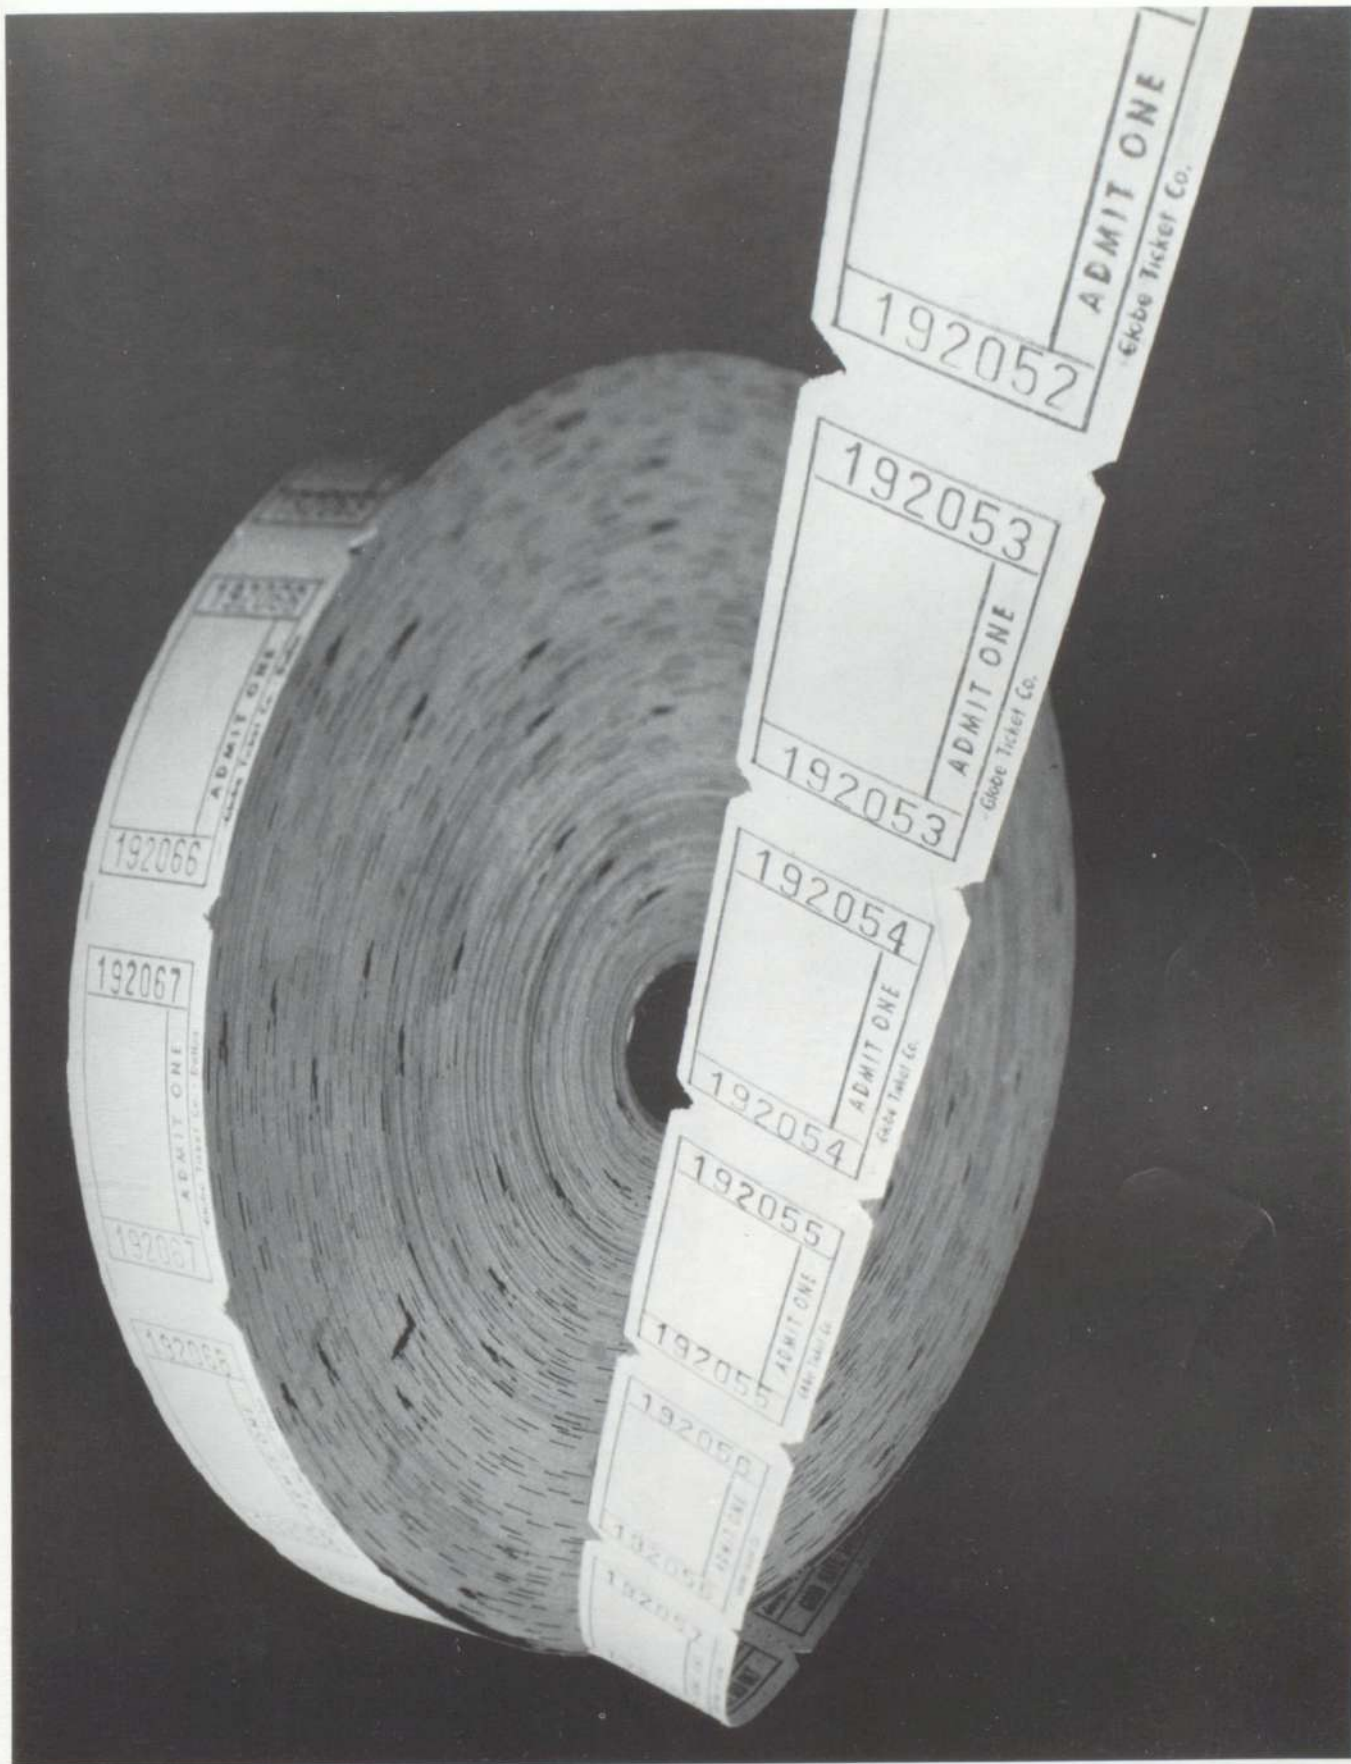

This year four members were initiated into the National Honor Society. All four were juniors - Karen Kral, Tom Pederson, Peter Santogade, and Al Samz. This brings our 1968 total membership to five. Mary Olkowski is our only senior.

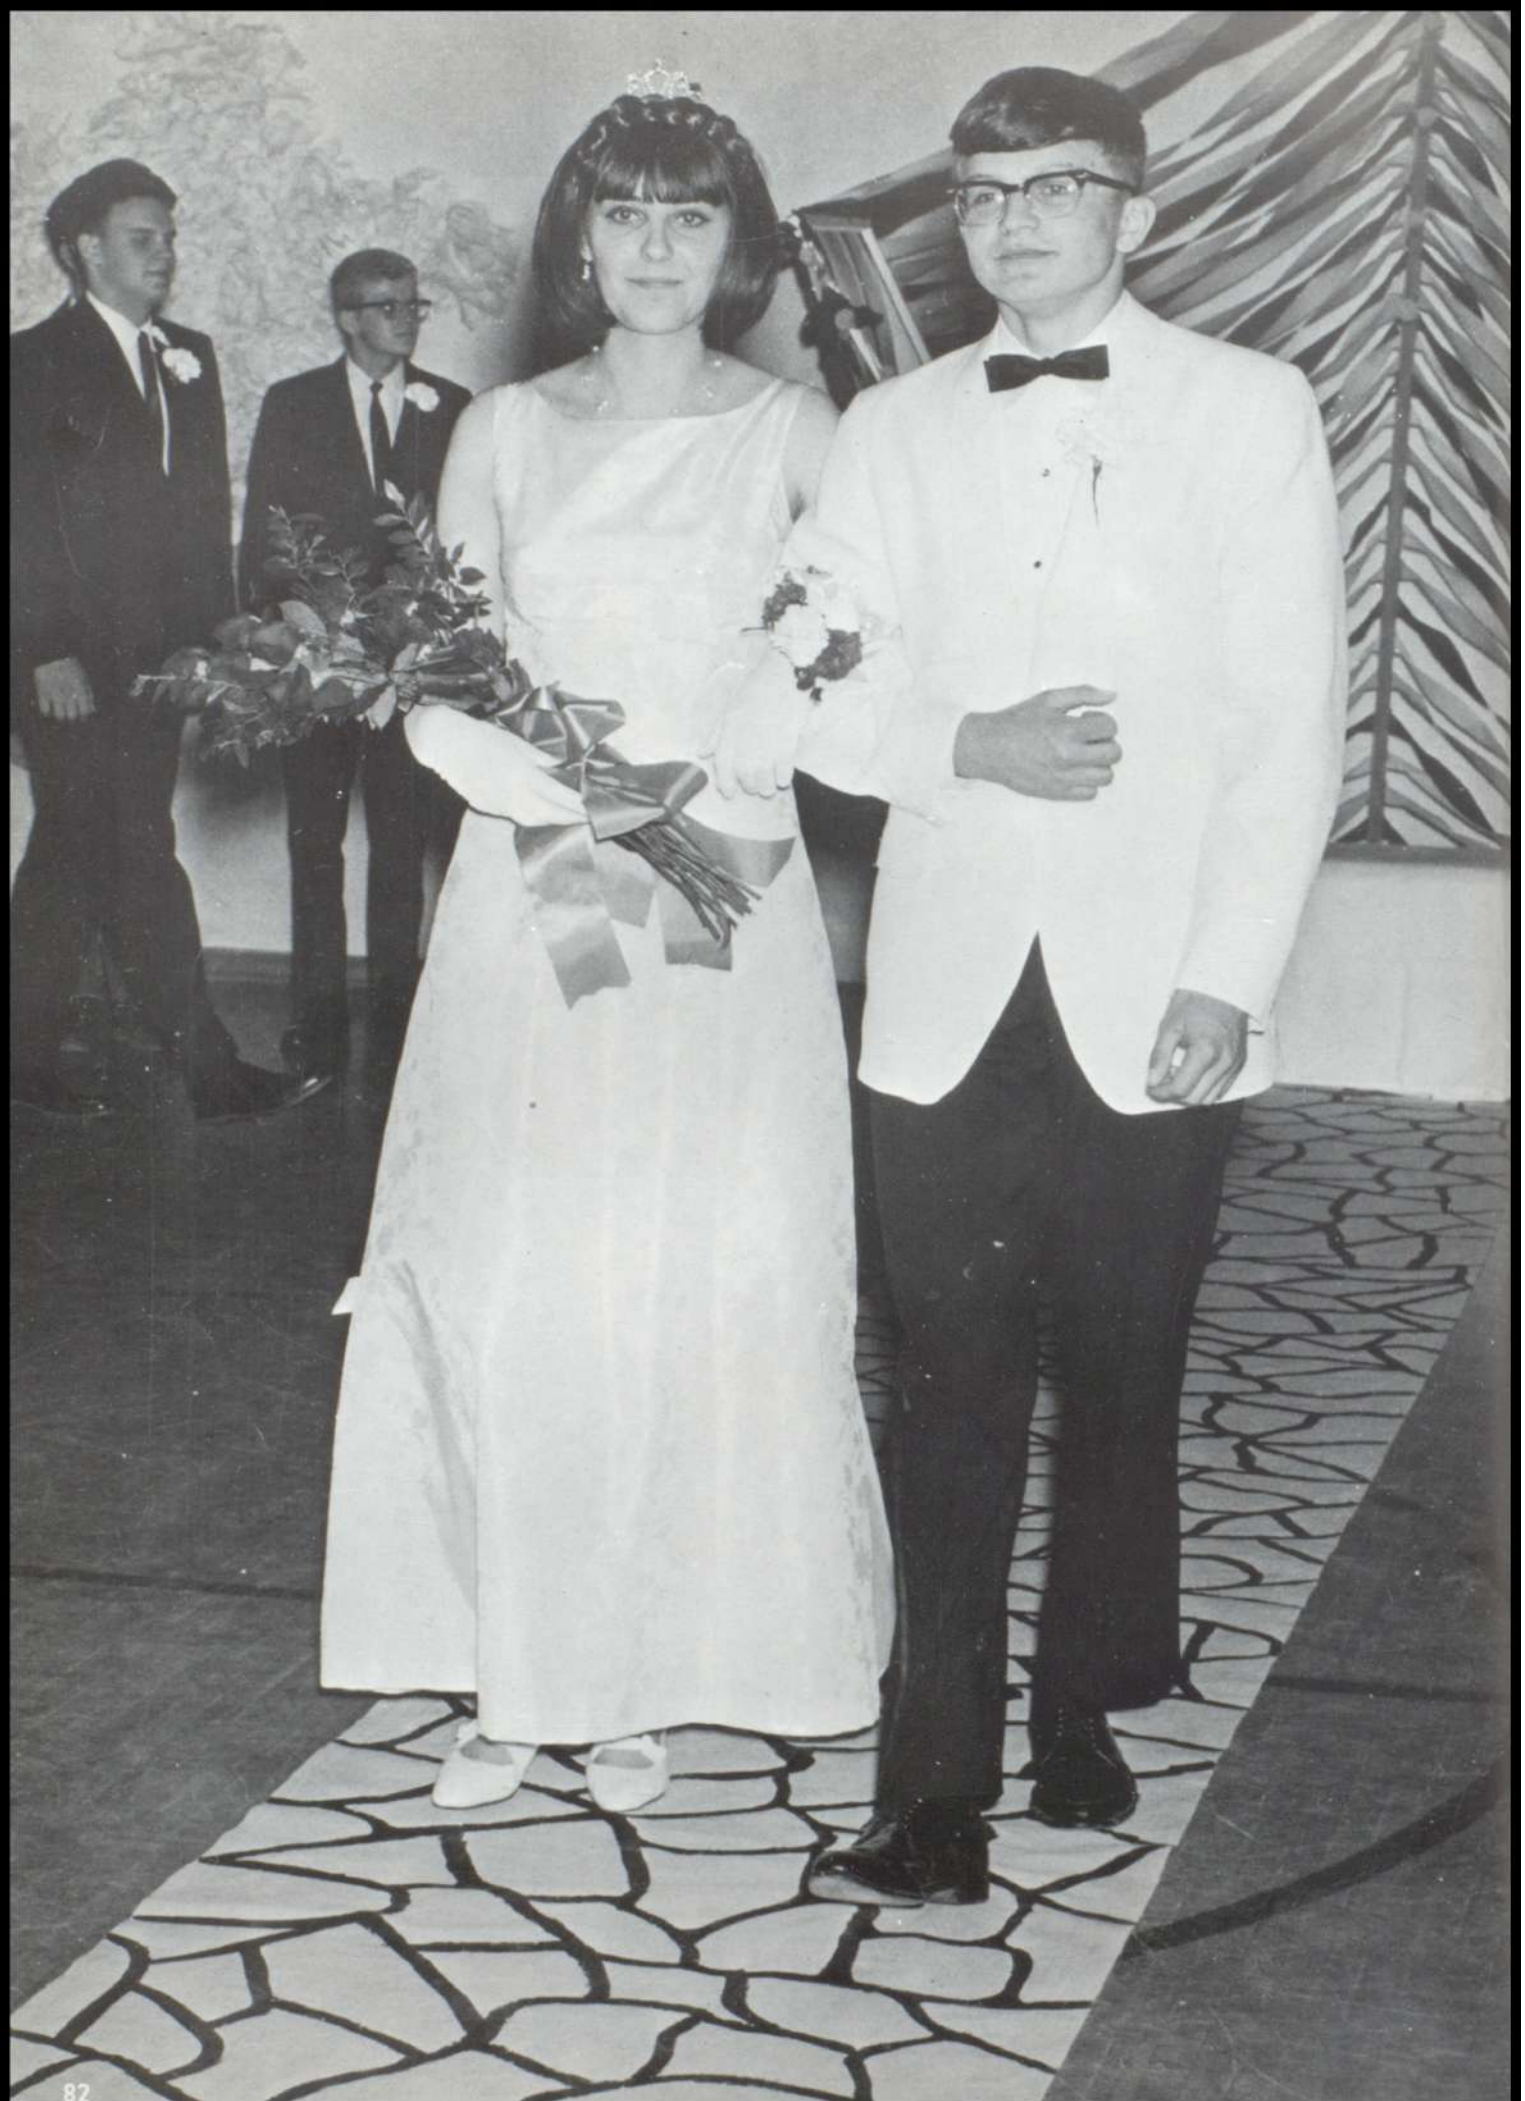

All students must have above an eighty-nine average in their junior or senior year to qualify. Students qualifying scholastically are then approved by the administration and faculty on three additional points; service, leadership, and character. Initiation takes place in the spring under the direction of the advisor, Mr. Grobe.

It is a great honor to belong to this national organization which recognizes outstanding high school students. Congratulations to these five TLHS students!

## ACTIVITIES

## "Somewhere Over The Rainbow"

Crowning of the Queen

As couples entered the doorway of pink, yellow and red rosebuds, they were transposed from the world of reality to a world--"Somewhere Over the Rainbow," the theme of the 1967 Junior Prom.

The gym was decorated in a yellow and shades of green theme, with three corners representing a part of Oz. One having an hour glass, another the doorway to Oz, and finally the kingdom of Oz done in emerald green. Along the walls were huge yellow flowers at intervals.

At ten o'clock, Cathy Pitlik was officially crowned Queen of the Prom by George Rychlock.

Other members of the court were: Senior representatives, Marlene Lorbetske and Roger Boehm, and Kris Sanger and Pete Schoeneck; Junior representatives, Hollie Isleb and Rod Tillman; Sophomore representatives, Kathy Maas and Al Samz; and Freshman representatives, Joanne Wilkowski and Mark Briggs. Attendants were Lisa Maney and Lee Maas.

Music was provided by Joe and Rita Buck, a duo which plays at the Northernaire. Refreshments consisted of punch and cookies which were served by three eighth grade students.

# Homecoming 1967

Pouring rain did not dampen the spirits of the Bluejays as the 1967 Homecoming got underway. On the big day, cold weather only added to the excitement of the hard fought game. The band played in the pouring rain in their band uniforms for the last time. There was a feeling of great unity among the Bluejays as they huddled together to keep warm. The dance that evening was most successful, and Queen Mary Olkowski reigned over the festivities with the theme "Autumn in Orbit."

The Homecoming Parade, due to the unfavorable weather, was not held until the following Monday afternoon, causing school to be dismissed early in the afternoon. Above is the "T" that was part of the T Club float, symbolizing the unquenchable Bluejay spirit. The floats were judged and awards were given: Freshmen, first; Sophomores, second; Juniors, third; and Seniors, fourth.

## Snowmobile Queen Marianne

Marianne Lamon was crowned 1968 Snowmobile Queen by Mr. Grobe, Lion's Club representative, on January 17. She reigned over the Three Lakes portion of the Third Annual Hodag International Crosscountry Snowmobile Marathon and the Three Lakes Ice Fishing Jamboree. Marianne also rode on the float of princesses in the Marathon Parade in Rhinelander.

To qualify for Snowmobile Queen, each girl interested had to sell tickets for the Lion's Club drawing at the Fishing Jamboree. The five girls who sold the most tickets competed in a snowmobile race to determine the girl with the best ability in driving a snowmobile. The race was very close, the contestants' speed being within seconds of each other. Runners-up in the race were Cher Schroeffer, Bonnie Kuester, Sue Rank, and Pam Monroe.
