Our school lives, a harmonious combination of everything we do, what makes our day, who and what we are - composes Our Symphony.

With Small Means;

The crowning of the Queen, Cherie Thomas, by King Joe Thorn, was the highlight of the May 1971 Prom.

Shades of pink decorated the gymnasium accenting the theme, LOVE IS ALL AROUND, and affectively creating a regal atmosphere.

The communal group, Stone Toad, provided music for the couples to dance by.

Prom 1971 was the successful result of many months of preparation . . . contracting the band, ordering materials, reording, hectic consultations with superiors . . . but everything fell into place in time for the couples' arrival.

LOVE IS ALL AROUND

Throughout the evening, couples danced among the ornate labrynth of color that was planned many months in advance, and was assembled in the last five minutes.

Students risked their lives transforming the gymnasium into a gala ballroom.

King Joe presenting Queen Cherie with a bouquet of roses was one of the many highlights imprinted in the memories of the onlookers.

Crown Bearers, Marianne Kirby and Colyn Bacon were the ideal minatures of a court couple.

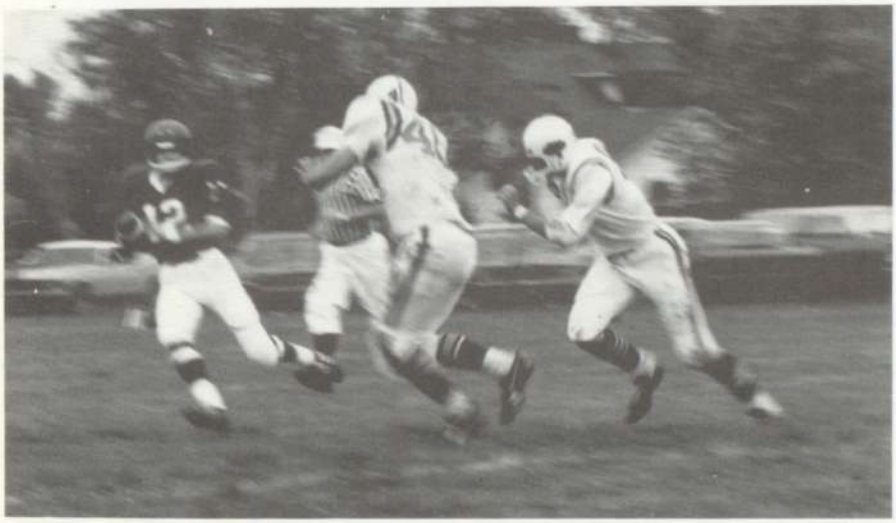
Rainy weather, a spirited bonfire, a pretty queen, and a hardfought game high-lighted the October homecoming week-end. Janet Hodgson was crowned Homecoming Queen by King Larry Berg. The parade, bonfire, and float building set the stage for the festivities that followed the next night.

The crowd assembled at the traditional parade and float competition.

"Buff, we've got to stop meeting this way."

Seniors, you need it!

And the band played on and on and on . . .



"Stop you friends! This ball is mine!"

Service to the school and community was the tone of the newly established Home Ec. Club. The girls made tray favors for the Eagle River Nursing Home, served lunch on Parent's Day and sewed for the wrestling team. Under Miss Paul's leadership they tried modpodge, macrame, knitting and were also able to work on their own sewing projects.

The Drama Club in TLHS consists of active members interested in the many phases of dramatics. The Club is busy in the fall preparing a one-act play for state competition. This year's production, "The Birthday of the Infanta," received an 'A' rating in the sub-district contest and a 'B' rating at the district contest in Wittenburg.

Spring activities included a group of students traveling to Wabeno for the Forensics contest on March 9. Late April was set for the Club's 3-act play, THE MOUSE THAT ROARED.

This year's Varsity basketball team started off on a good foot by defeating Crandon 65 to 57. Although the Senior Varsity did very well, they received a helping hand from Junior Varsity, Ron Danowski.

The exciting game between Three Lakes and Eagle River was held in suspense during a three minute over-time; unfortunately we lost that one.

The Three Lakes Wrestling Team got off to a good start in its third year of wrestling as it defended its No. 1 spot in the N. L. C., earned last year.

This year 24 boys reported out for the sport. Among these are the five returning letterman: Steve Jakubowski, 98; Ted Briggs, 105; Dan Maney, 167; and Ernie Kirby, 185.

With our excellent coaching staff, Mr. Goodrich, Mr. Erstad, and trainer Scott Brewster showing us new moves and perfecting the older ones, we plan to keep our No. 1 rating.

to be worthy, not respectable,
and wealthy, not rich;

"WHITEY" LEHMAN is the district administrator for our school area. We often see him in the hall conferring with teachers and students. When he can spare the time, Mr. Lehman relaxes on the golf course.

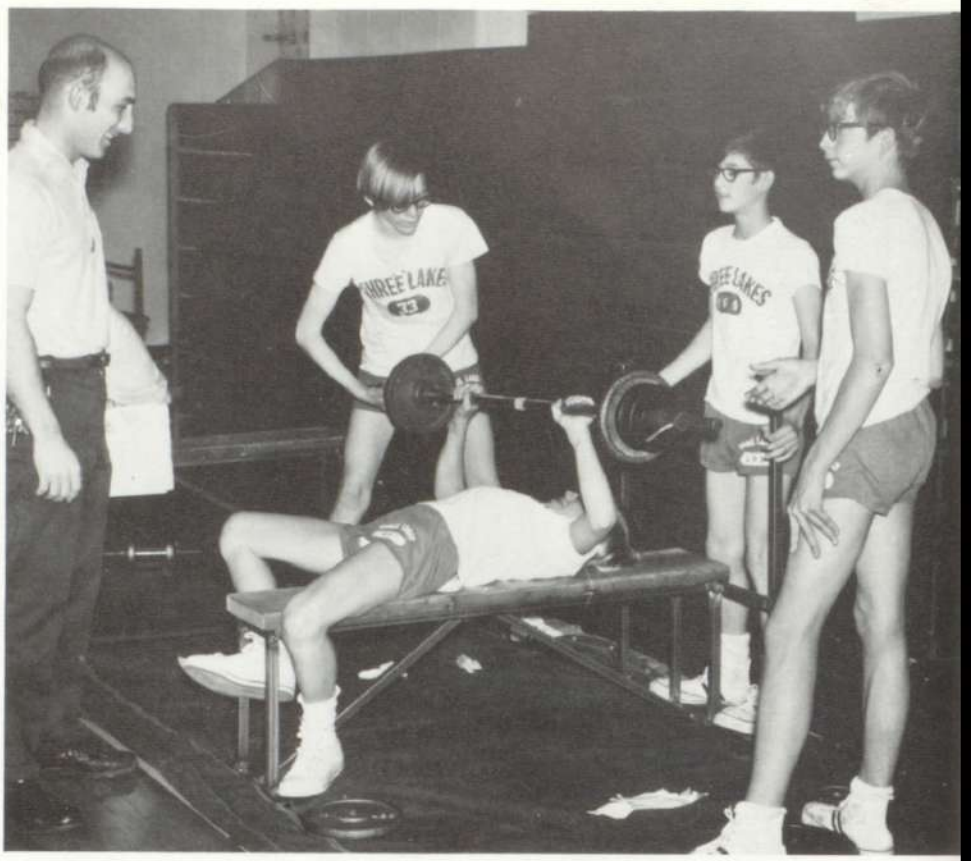
CARL ZON, the man with the guiding light, enjoys working with the youth of the community. Besides being the Guidance Counselor he also teaches the careers class. He manages to fit bridge, contemporary music, and wine-making into his busy schedule.

MRS. GARCIA is the smiling face in the office. She is the lady Friday who keeps things rolling. When not at work she enjoys reading, hiking, and sewing.

Big Brother strikes again!

G. Lehman - District Administrator - Three Lakes. Not Pictured: Pat Wykowski - Secretary - Three Lakes.

Besides his principal duties, Ron Sternard advises the student council and ski club. He is often seen trying to cut down the student population by pushing skiiers off the lifts. Skiing is a major interest and he also enjoys hunting and fishing off-season.



Sue Kies, one of the newer members of our faculty, teaches girls' physical education. She also advises the sophomore class and cheerleaders. It needn't be said she enjoys sports of all kinds. Her hobbies are skiing and swimming.

Ken Huebner is the man who gets the headaches over our football and baseball teams. He also has a work-out with boys' physical education, drivers' education, and the Junior Class. When he finds time he enjoys deer hunting, fishing, woodworking and painting.

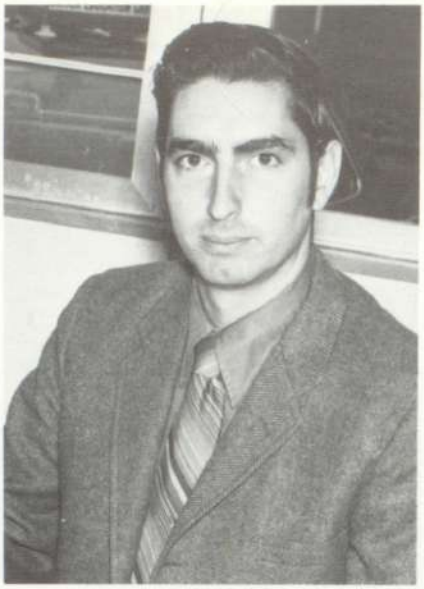
Londal Anderson has a reputation of going through at least 24 batons a year attacking his students. His interests are classical and light classical music, and trout fishing.

Vaneva Christensen directs the choral department. Her time is well spent in preparing students for solo and ensemble contests and concerts. Her enthusiasm toward youth is reflected through her teaching and extra-ciricular activities.

Students cannot help but learn business - like methods from an organized man like Don Jansen. He teaches typing, bookkeeping, office practice, business law, and consumer economics. Away from school, he camps, fishes, and travels.

Rose Marie Paul's job of teaching home economics is a natural outgrowth of her hobbies - sewing, ceramics, creative stitchery and gourmet cooking. By organizing the Home Ec. Club, she has shown the girls that home arts are educational, useful, and relaxing.

Mildred Paffrath teaches Art and advises the freshmen class. Dogs are her favorite hobby, especially her five poodles. Ceramics, silversmithing and cooking provide relaxation at home.



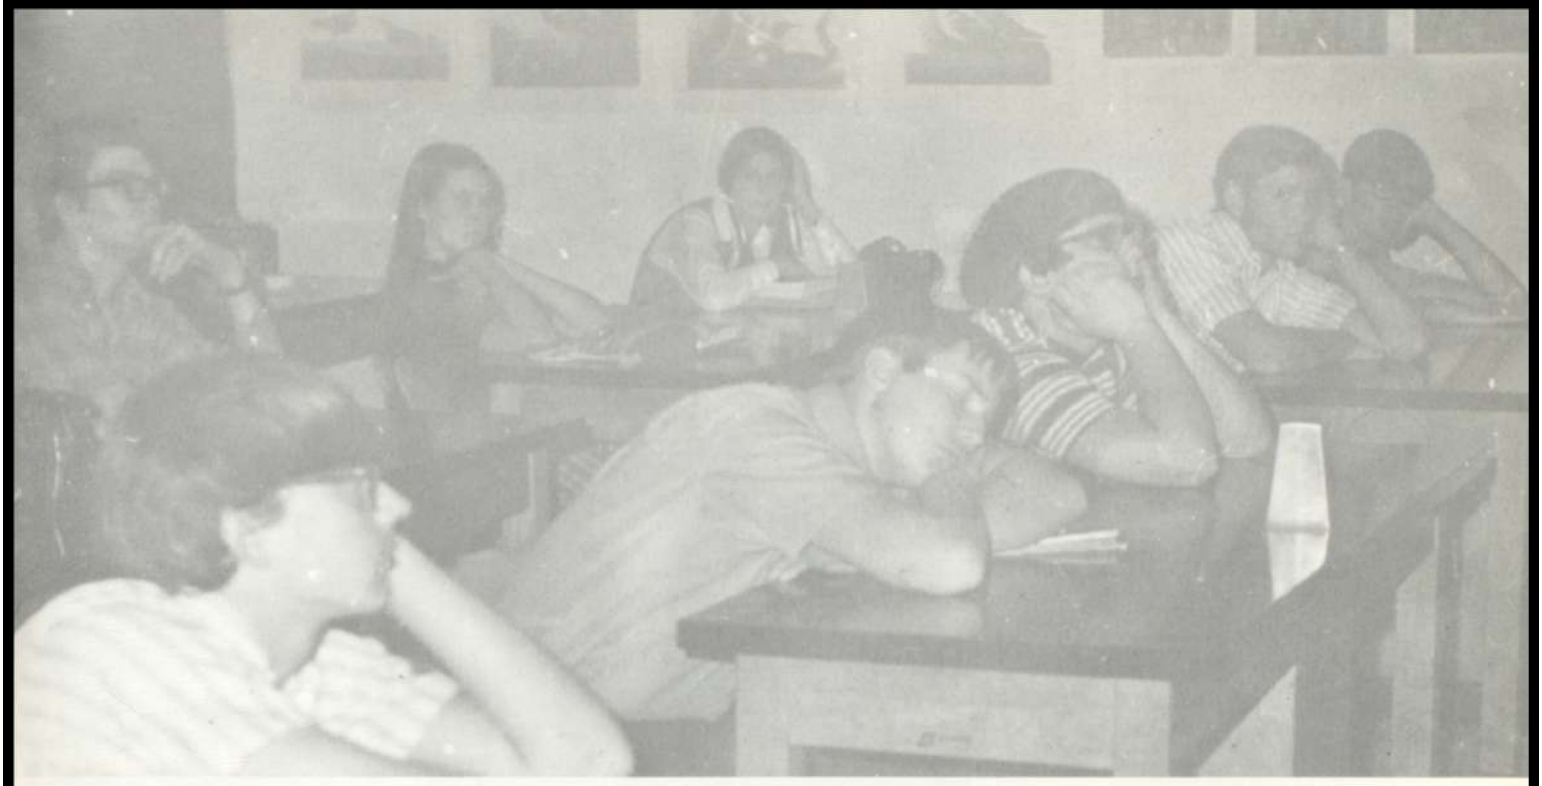
Mike Jilek spends one half of his time anticipating deer season and the other half reminiscing it. As president of TLHS's gum chewers' club, his members keep his room very tidy. He teaches industrial arts and advises the Senior class. Mr. Jilek is a very avid hunter, waterskier, and conversationalist.

Besides trying to keep the library quiet and in order Barb Young is an adviser to the Annual Staff and Senior class. It should come as no surprise that reading is one of her hobbies. Other interests include camping, canoeing, and traveling.

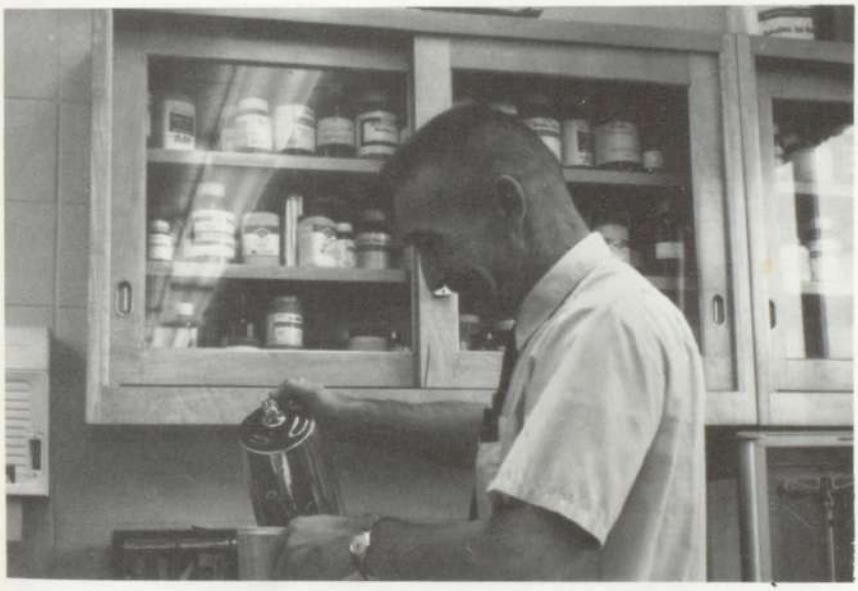
Miss Young and Patti Hageny discuss a good book.

Ernie Kirby uses his talents and interests to help Junior High students in industrial arts.

Good way to grind off fingernails!



There's Bernard again, learning by osmosis!



George Caskey is known throughout the school as the nature inspirer as you can often see him leading his classes on nature hikes. He teaches Earth Science, Biology, and Conservation. Mr. Caskey is an enthusiastic skier and during the summer he guides fishermen.

John Antonuk often takes time from his classes to philosophize. He can often be seen keeping his eye on the students or drinking his coffee. Algebra I and II, Physics and Geometry comprise his teaching schedule and he advises the Junior class.

Brain teasers are part of math when Alan Sabrowsky teaches Introduction to Algebra. Other "fun things" are golf, hunting, and snowmobiling. He also uses his basketball skills when coaching the junior high team or refereeing at high school games.

John Habighorst can be seen entertaining the students with his whistling and singing while strolling down the halls between classes. Water skiing, hunting, and fishing are his relaxations outside school. He teaches Introduction to Algebra and coaches J. V. football and basketball.

"And what I say goes! "

Besides teaching English I and II, Mary Ann Roeske advises the Newspaper staff, drama club, and forensics. Her persuasive authority helped gain success for the drama club. Interests include homemaking, snowmobiling, and Chinese food.

Since coming to Three Lakes 2 1/2 years ago, coaching and wrestling have become important activities in Dennis Erstad's school year. When not treking to the "attic" or teaching Business English, he is a frequent visitor to the Spanish classes. Both students and teachers enjoy his wit, though some often receive the brunt of it.

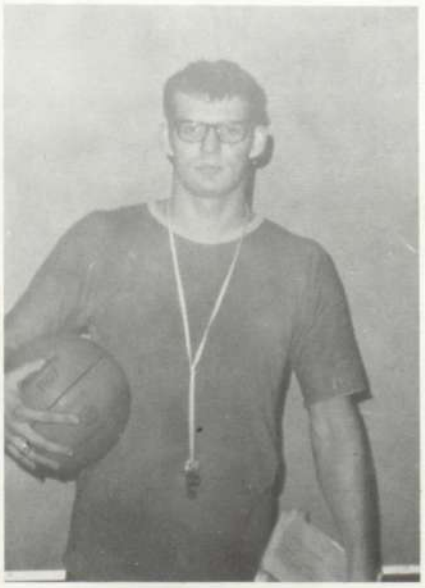
Dale Bruss teaches English and advises T-Club. As athletic director he walked straight lines all football season limeing the field and otherwise puts in many hours arranging game schedules. Hunting, music, and horses are Mr. Bruss's hobbies.

Basketball "fatigues"

Finally Patti Hageny gets what she deserves!

Al Goodrich is Mr. Wrestling Coach as the team's record indicates. He teaches Spanish and intro to social science, advises the sophomores, and coordinates A-V. Rumors have it that his real home is his yellow-mobile.

Lou Grobe's cold seems to persist from Oct. to April and is said to give him a countless number of headaches. Or is the cause the student body? Mr. Grobe teaches world geog., current hist., social philosophy and advises N.H.S. and F.T.A. Mainstays out of school are rock collecting, camping and fishing.



"Frustration puts (Art Pertile's) nerves on edge during basketball season. On the academic side, he teaches social problems and junior high social studies.

Filling out blanks, admission forms, and job applications marked another typical senior year. ACT tests and the like also kept students anxiously awaiting results. Anticipation was present as the class chose graduation announcements and name cards that would finalize the years. Senior pictures, bringing out the best in everyone, were exchanged for the remembrance of long-time friends. Mottos, flowers, and colors were chosen. Seniors gathered last minute information to complete the traditional final term papers, always a relief to have finished and turned in.

DAR Good Citizen Award winner was Donna Dixon. Lynn Stanzil and Jim Sanger attended Badger Girls and Badger Boys State during the summer preceding our senior year.

My Symphony

To live content with small means; to seek elegance rather than luxury, and refinement rather than fashion;

To be worthy, not respectable, and wealthy, not rich; to study hard; think quietly, talk gently, act frankly;

To listen to stars and birds, to babes and sages with open heart;

To bear all cheerfully, do all bravely, await occasions, hurry never.

In a word, to let the spiritual, unhidden and unconscious grow up through the common.

This is to be my symphony.
