HOMECOMING WEEK
MOUDAY: Hat, Shades & Clash
TOESDAY: Toga Day SERIO
MEDUESDAY: Originality 15-3
Thursday: Grub Day Duss
FRIDAY: Blue & White

On September 20, 1980 excitement filled the air as the Blue Jays brought to Three Lakes a homeoming victory. The mood of celebration was set.

Though severe thunderstorms raged through the area Saturday evening, the mighty Blue Jay spirit would not be dampened. To the theme of "Longer" Jim Levandoski crowned Peggy Gerhardt queen to reign over the festivities.

Representing their class on homecoming court were: Seniors, Corey Keyes and Teri Maney; Juniors, Kash St. Catherine and Val Ingram; Sophomores, Vicky Kortenhof and Fred Hegeman; and Freshmen, Brian Pitlick and Mary Sowinski.

Music for the evening was provided by "Cush" but the thrill of the night came with a surprise appearance by our own "Nova".

The evening brought fun and enjoyment to all.

A.F.S.

This year the student body as well as the faculty of Three Lakes High School were honored to have in their presence, two fascinating people. These of course were our two AFS students, Roni Blank from Israel, and Frode Finnoy of Norway.

We of Three Lakes School extend our most sincere gratitude to Roni and Frode for sharing their thoughts, as well as kindness, and especially for letting all of us share our community and country with you.

Here's a special page reserved for that "Special Friend".

- Q. What do you like to do on the weekends, and why?
- Q. What's your favorite sport in school, and why?
- A. I like to be with my friends on weekends. Either going to the show, out to the Pizza Haven and play pool, or just hit the bars. (HA HA)
- A. I like football because you have all your athletes that participate in basketball, wrestling and baseball all on the same team. I like sports that are played outside; especially when the field is flooded!

When a student of the sixth grade finds an interest in an instrument, it is seldom he or she will stay with a band program throughout Jr. and Sr. High. These are a few of a special group and deserve recognition. Various senior members have shared their views with us.

Said Lisa Devereaux, "I have enjoyed the past 7 ½ years immensely. I've learned much. I find music is a way to express myself when I can't find the words. Even though I will never be in an orchestra, which is my dream, I will always have these fun memories behind me".

Robert Kreissler stated, "Band was interesting. It was distressing to lose my music before a game. It was interesting . . . "

Summed up by Linda Siedschlag, "I've always enjoyed music and band was very good for me. It taught me to blend into a group by working together to try to put on a perfect performance. I'll never regret the past years I have spent playing my horn."

Under editor Linda Siedschlag and her chief assistant M. Pederson, TLHS enjoyed a terrific newspaper with a new foremat. The new paper is known at "The Blue Print". Because of the work of the editors and the staff, students of our school were kept well informed throughout the year on local and school events.

TLHS SKI CLUB

Glenn Haroldson, Ski Club member gave us his thoughts and feelings of the TLHS organization: "The Ski Club is a very good organization. It brings students closer together and provides general overall fun. I think skiing is one of the best outdoor sports that there is. The Ski Club gives a lot of the students a chance to meet people that they wouldn't ordinarily meet during the school day".
