THE PEP RALLY

As the week was coming to a close, the excitement in the air was obvious. All of the students worked very hard on the hall decorations and the skits, which did indeed pay off. (And of course the 'Whale-of-a-Float' that never was)

BOING!!

EAT JOE, EAT!!

The twelve members of the Homecoming court were introduced as the crowd rose to its feet. Everyone awaited the moment to see who would be King and Queen. As you all know, Tunie and Paul were chosen as the King and Queen. The Pep Rally came to a close but everyone was still looking forward to the main event on Saturday. Many students, parents, faculty and alumni turned out to watch the Bluejays, despite the pouring rain and hail. And as expected, the Jays' came out on top, and went to the dance with ...

OF
VICTORY

QUEEN For Just A Moment KING

Tunie Rychlock & Paul Sowinski

We Laughed, until we
had to cry,
And we Loved, right down
to our last Goodbye
We were the best,
I think we'll ever be,
We were young and wild
and free
For Just a Moment.

Vince Staszak
And
Carol Hageny

Someday, when we all
reminisce,
We'll all say:
"there wasn't too much
we missed."
And through the tears,
We'll smile when we recall,
We had it all,
For Just a Moment

For Just A Moment

As the final minutes ticked off the clock, the realization that we were going to win our Homecoming game began to sink in. For the seniors it held a special meaning, as we hadn't won a Homecoming game since we were freshmen. Defeating our arch-rival, Crandon, 16 to 6, put everyone in a wonderful mood for the night's festivities.

Student Council chose 'For Just a Moment' from the St.Elmos Fire Soundtrack as the theme song. Fantasy Productions was hired to play for the night, and they did a marvelous job. The climax of the dance came when the King, Paul Sowinski, crowned Tunie Rychlock the Queen for Homecoming '85. The entire night certainly turned out to be an 'Evening in Paradise.'

THE MORNING AFTER

What time was your curfew?

Then again, what time did you actually come home?

The even more important question I should be asking you is, what time do your parents think you came home?

PLOP, PLOP, FIZZ, FIZZ.

"You have obviously mistaken me
for someone who cares."

IF YOU COULD READ MY MIND

"What you see is what you get!"

"Having an identity crisis Sheri?"

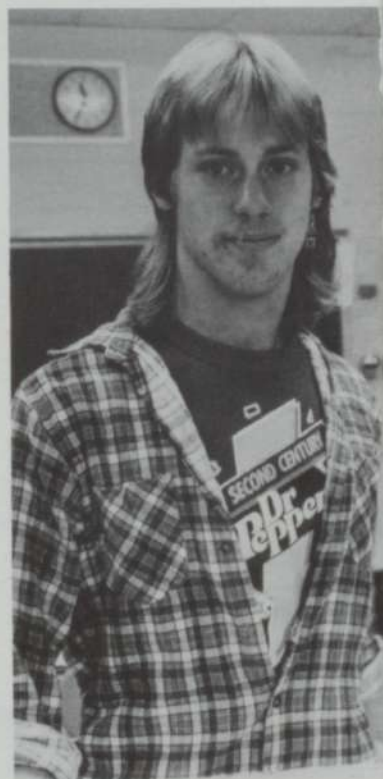

"Not a bird, not a plane, it's SUPER GEORGE!"

"And what do you think of Rock music?"

"Wake me when the bell rings."

"Ever have one of those days?"

"And how 'bout that weather? Pretty exciting, huh?"

"Go with that, I like it."

"You know what you can do with these worksheets, don't you Mr. Heiting?"

"And here's Annie's next date to Prom."

"Oh no, Dave I have a bloody nose!"

"Unique way to cover your hickies, Bravo!"

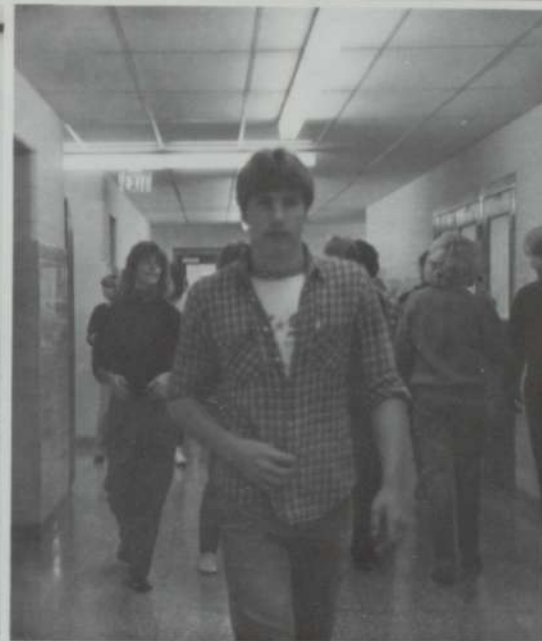

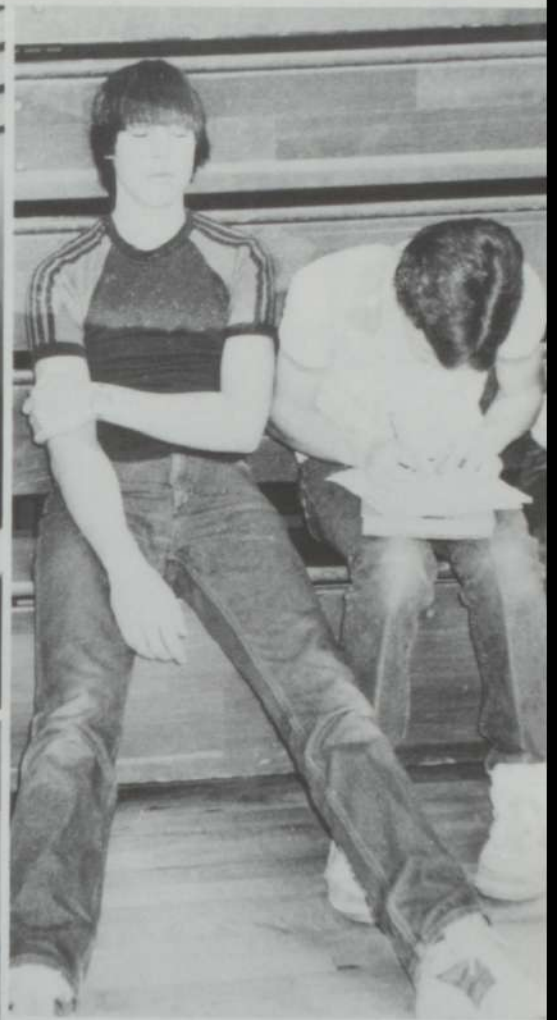

FACES IN THE CROWD

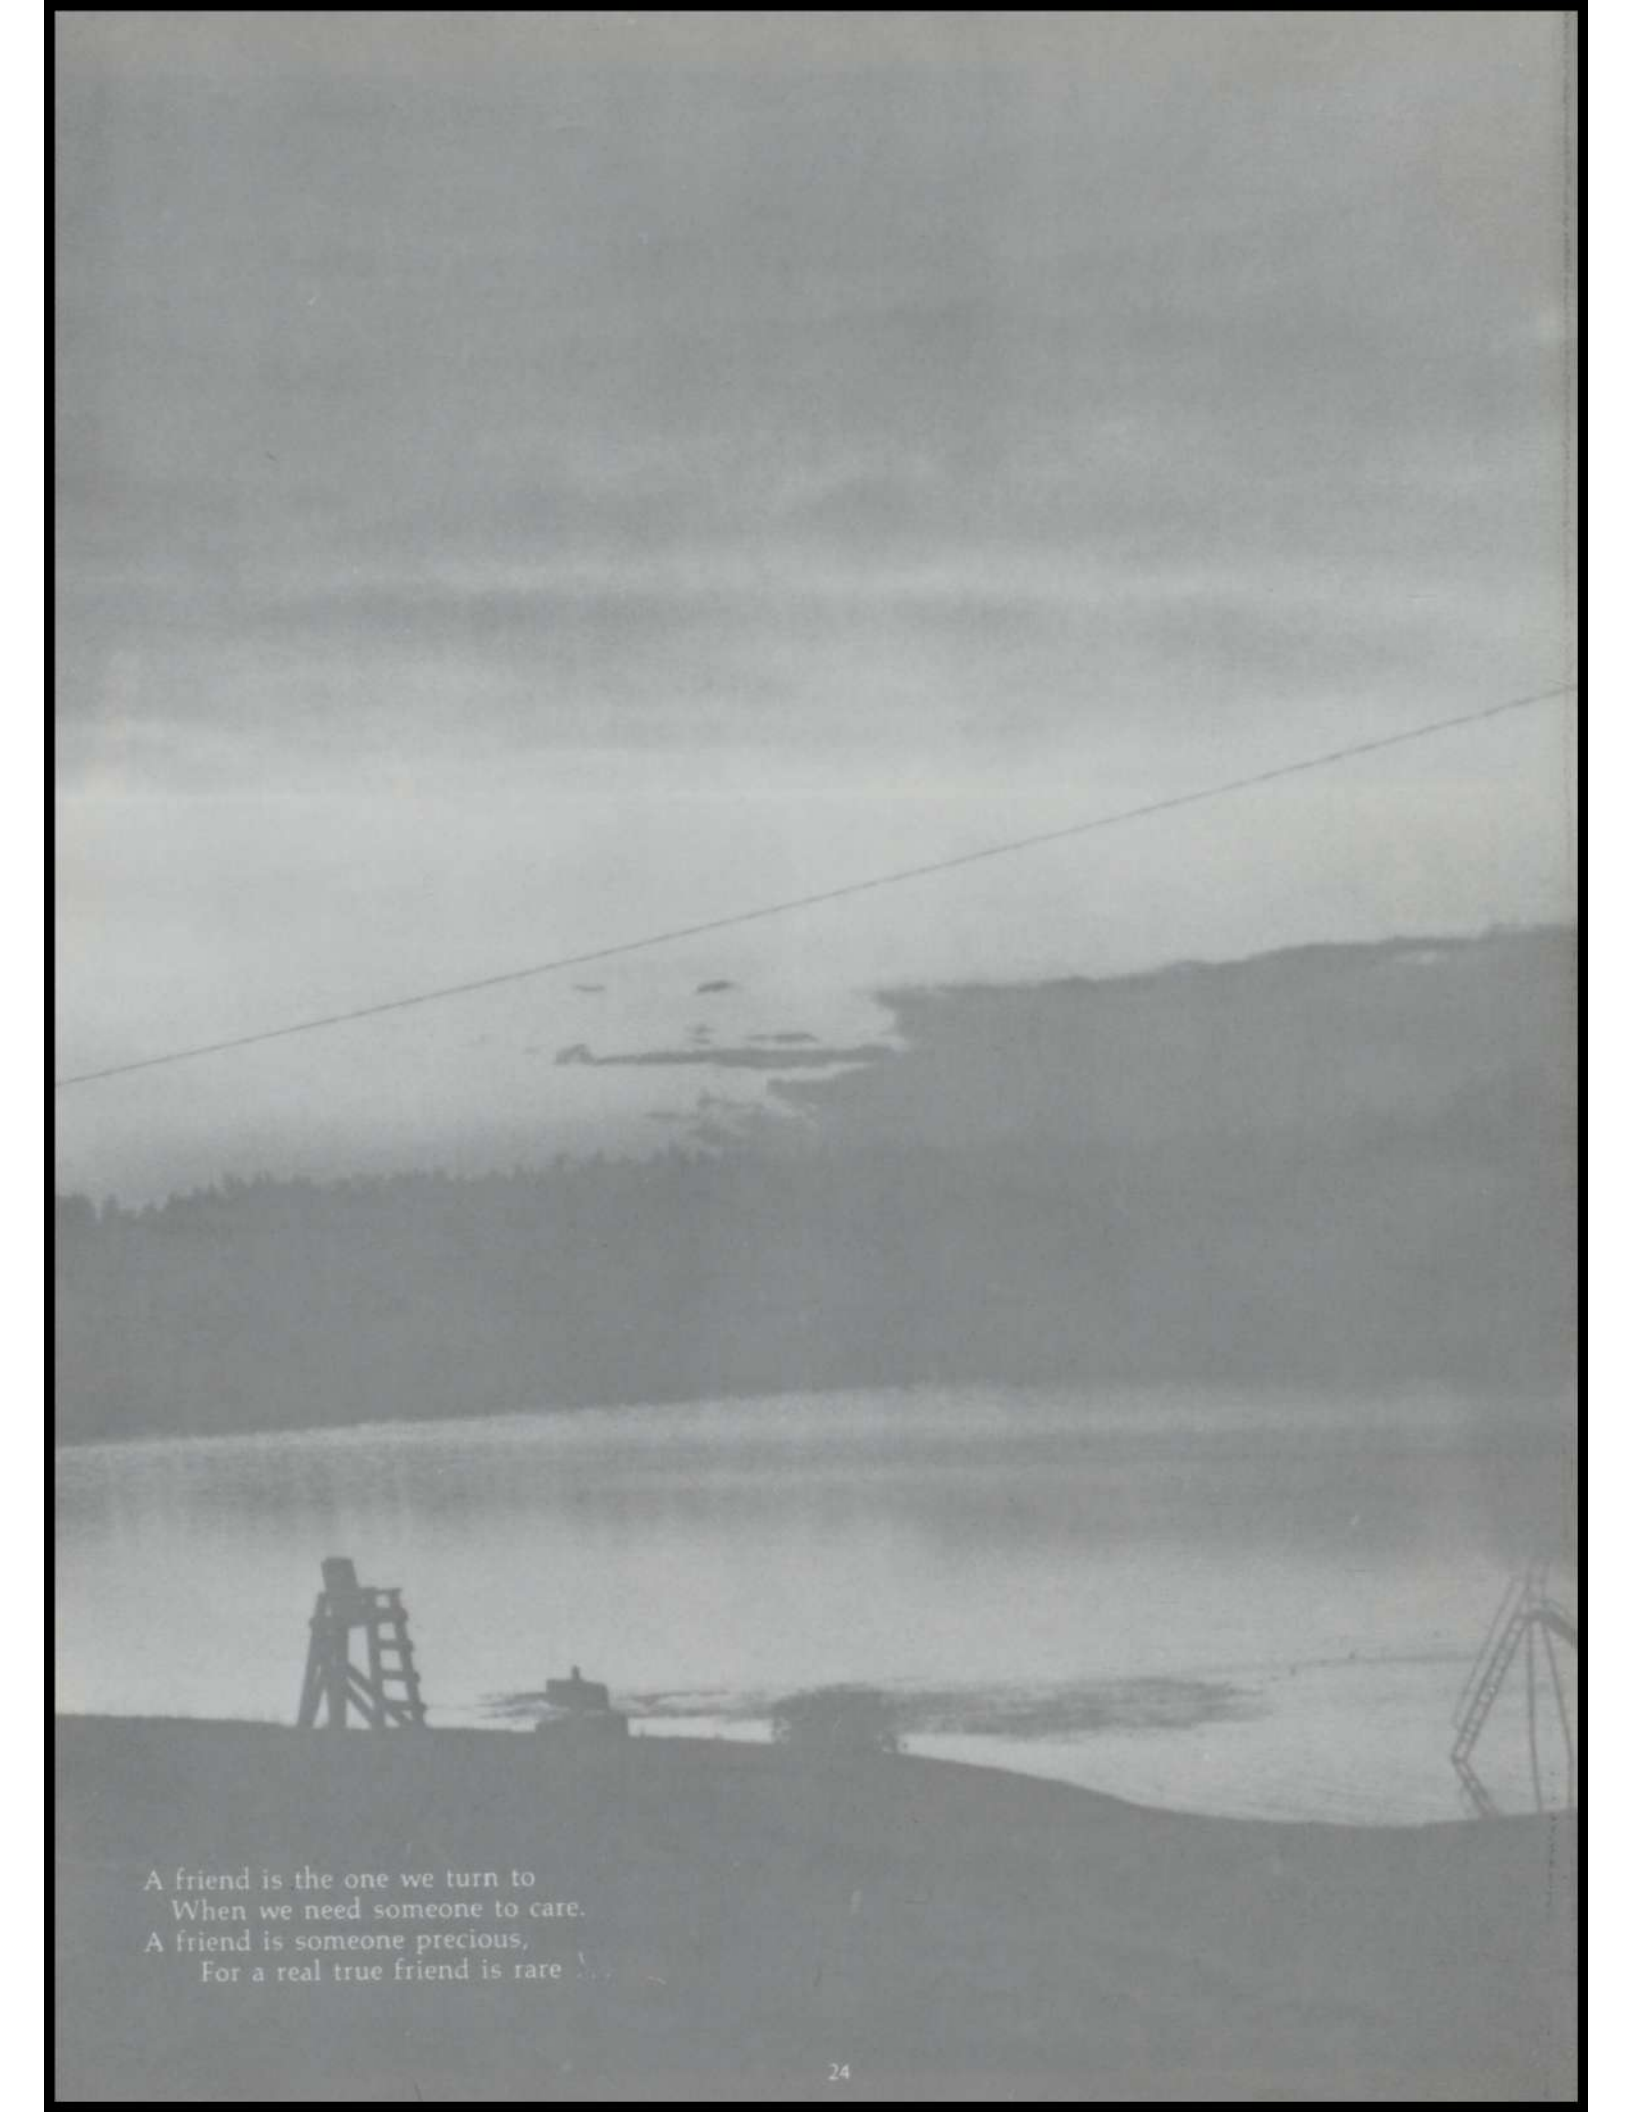

A black and white photograph of a misty landscape. In the foreground, there is a dark, silhouetted shoreline with several industrial structures, including what appears to be a crane or derrick on the left and another structure on the right. A body of water stretches across the middle ground, reflecting the light. In the background, there are rolling hills or mountains, partially obscured by mist or fog. A thin, dark line, possibly a cable or wire, runs diagonally across the upper portion of the image. The overall atmosphere is quiet and somewhat somber.

A friend is the one we turn to
When we need someone to care.
A friend is someone precious,
For a real true friend is rare

This year's varsity football team started off slowly. We lost the first three games, and then Coach Gorney and Coach Stevens decided to make some position changes. Our Homecoming Game against Crandon was the first game we played with some of the guys starting in different positions. The Crandon game was the start of three wins in a row, as we beat Crandon 16-6. This was our first Homecoming victory in 3 years. In the second last game of the season we had to play Florence. Florence had been undefeated so far. This was the second highlight of the season, as we beat Florence 16-6, and finished this season with a 4-3 record.

We would like to congratulate everyone on the team. Also, a special thanks to Coach Gorney and Coach Stevens, and all of the fans who supported us this year.

All-Conference: Paul Sowinski, Brian Londre, Scott Kircher.

This was the first time ever that our Volleyball team has gone to state. It was also the first time that any team from our conference has won any games at the state level of competition.

We took first in conference with a 9-0 record, and also took first place in Rhinelander, and Gilman Tournaments, and second place in the Lakeland Tournament.

In Regionals at Crandon, we beat Niagara, Goodman, and in the championship game, we beat Elcho.

In Sectionals at Athens, we played Bonduel, Pittsville, Coleman, and Athens. We lost one game to Coleman and then we were tied with Athens. At 10:30 Saturday night it came down to the battle of the Bluejays. We won the first game 15-8, lost the second game 3-15, and won the third game 15-5. Before we finally realized what had happened the floor was filled with our Bluejay fan's yelling "All the way to state sounds great!!"

Despite the snow and cold our fans drove down to Oshkosh to support us. We had to play Sevastajpol, River Dale, and Webster and our final record was 4-4 which put us in third place. The state tournament was a great learning experience for the whole team.

We would like to thank our Coach Miss Nieuwendorp and all our fans, but most of all our parents who came to the games, put up with late nights, and provided food for our long trips.

All-Conference: Tunie Rychlock, Michele Gensler, Annie Widule, and Molly Widule.

VARSITY BASKETBALL

This year's basketball season was one that had many ups and downs. The season started off slowly, with a new coach and only two returning lettermen. Coach Koslowski didn't know what to expect from his team, but as the season progressed and the players gained experience in each game, the players got to know Coach Koslowski better and found out what he expected from them. Then the team started to pull together.

This year was a little frustrating for the Jays, but it did have some bright spots that contained a lot of exciting basketball. Next year, the Jays should be a strong team because they are only losing three seniors: Mike McBride, Brian Londré, and George Crabtree. They will have eight returning players.

Congratulations Jays on a fine season, and good luck next year.

As a final note, Mike McBride received Second Team All-Conference honors.

J.V. BASKETBALL

Row 1: Pat Volk, Dave Habighorst, Phil Day, Doug Gold, Vince Sowinski. Row 2: Coach Gorney, Brad Carl, John Greene, Kevin Cogar, Andy Boers, Eric Ring.

George Crabtree, Mike McBride, Jim Stoebr, Ken Kortenhof.

VARSITY BASKETBALL

Row 1: Manager, Brent Gensler, Kay Coates, Bevin Soder, Michele Gensler. Row 2: Coach Nieuwendorp, Missy Anderson, Cricket Hegeman, Annissa Widule, Molly Widule, Tunie Rychlock, Nikki Coates.

This year, the girls basketball team won the conference championship for the third year in a row with a 13-0 record. They worked hard all year for this victory.

With only seven players, and one of them injured, the girls had to play a clean game of basketball so that no one would foul out.

Despite losing to Crandon 47-46 in sub-regional play the girls had a great season. We would like to congratulate the team for an awesome season. We would also like to congratulate Tunie and Bugs for great high school careers in basketball.

Next year the Jays should still be pretty strong with five returning lettermen.

Receiving all-conference honors were: 1st Team — Tunie Rychlock, Michele Gensler

2nd. Team - Mollie Widule

Honorable Mention - Annie Widule, Michelle Hegeman

Also, congratulations to Michele Gensler for receiving honorable mention as a Channel 7 - All Star.

WRESTLING

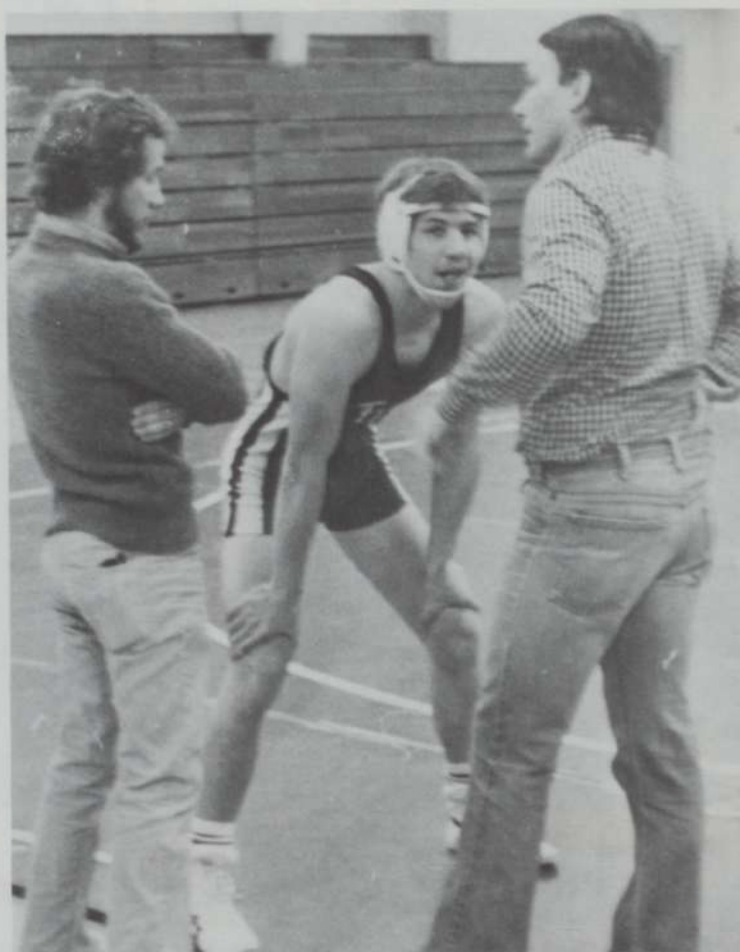

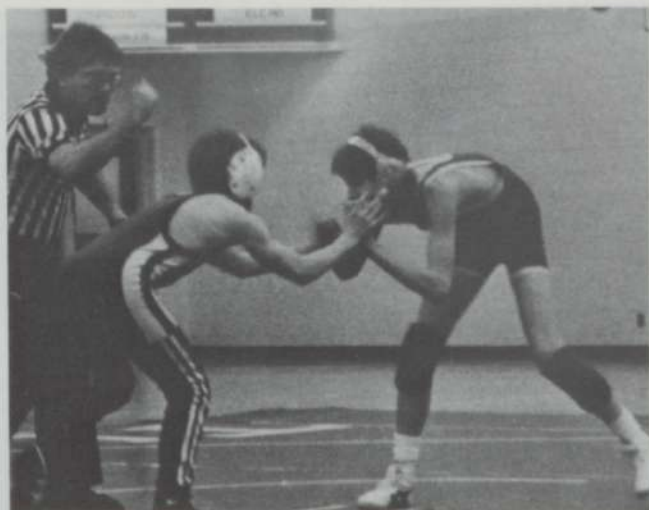

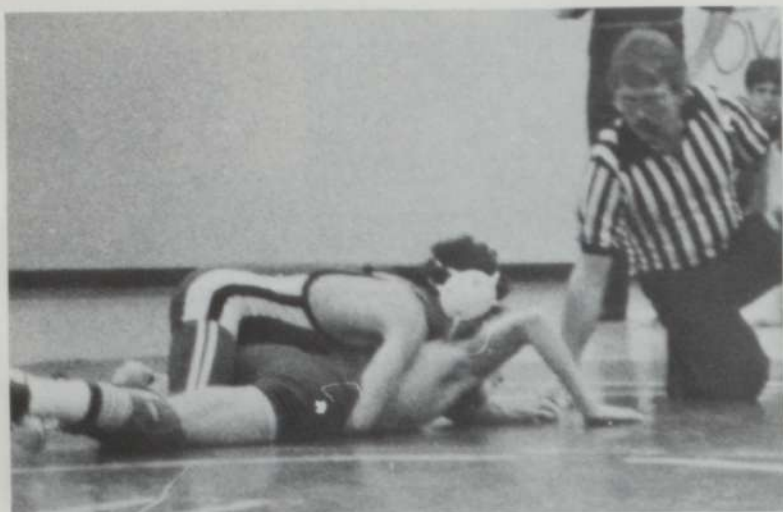

Row 1: Josh Davis, Tim Cecil, Mark McBride, Eric Stiefel. Row 2: Bob Moore, Joe Stoehr, Mark Gaffron, David Cochrane.

This year the Three Lakes wrestlers were few in numbers and somewhat inexperienced. However, they were dedicated and worked hard. In the future Three Lakes can look forward to a strong, wrestling team. We would like to congratulate those few wrestlers who worked hard all year.

EXCHANGE STUDENT

This year Three Lakes had the opportunity to host an exchange student. Sara Catalina Gomez is from Cali, Columbia. She is staying with the Schrank family in Three Lakes. Pictured are top, Jamie, middle, Sara, and right, Jeanine. Not pictured is Roberta. Sara is 18 years old and is a senior. Sara enjoys meeting new people and learning of different cultures. That is the reason she chose to live in the U.S. for a year. She also enjoys swimming, reading and Art class.

The International Exchange Program is an excellent experience for young people and Sara is very lucky to be part of it.

Also pictured is Sheri Hilgendorf who sponsored an AFS student from Australia.
