Connecting people to the TRANSFORMATIVE power of knowledge by providing opportunities to explore, learn, create, and share.

National Library Week 2023, April 23-29, will be celebrated with the theme "There's More to the Story."

Libraries are full of stories in a variety of formats from picture books to large print, audiobooks to ebooks, and more. But there's so much more to the story. Libraries of Things lend items like museum passes, games, musical instruments, and tools. Library programming brings communities together for entertainment, education, and connection through book clubs, storytimes, movie nights, crafting classes, and lectures. Library infrastructure advances communities, providing internet and technology access, literacy skills, and support for businesses, job seekers, and entrepreneurs. National Library Week 2023 will be a great time to tell your library's multi-faceted story.--

While we celebrate National Library week at the end of the month, come see what MORE the Demmer has to offer. From Children's Museum passes, to CD players, to our conferencing OWL, the library strives to always have more to tell.

No One Knows Your History Better Than You

Much like the original founders of the Historical Society did when compiling family history for *The Pine*, *The Plow* and *The Pioneer* books, we are reaching out to longtime families to update their stories, and to newer arrivals and visitors to share their stories, which will help us secure the history of Three Lakes for tomorrow.

Is your family one of the many who built Three Lakes from a logging camp into the town it is today? Could you have a connection to the milltown of Buckwheat?

Did your family discover Three Lakes on a vacation and make it their long-time summer home? Or decide that this was home?

How many generations of your family have lived or vacationed here? Did you age from a member of the Aqua Devils to a retiree? A past camper? A business owner?

Or are you a new arrival or visitor, just discovering the beauty and allure of Three Lakes?

Share Your Three Lakes Journey

When requesting stories back in the early 1980's, the committee gathering the information had this suggestion -
They said "write from the heart"

So, by yourself, with family, neighbors or friends choose a memory and dig deep

To help, think about your ancestors

their childhood, hardships, school days,
humorous or frightening events, accidents
how they happened to settle here
where did they settle
holidays and celebrations
activities, hobbies, jobs, church
travel and transportation
courtship and marriage
military service
family landmarks
artifacts that your family possesses

or apply the list above to yourself !

If you need help filling in your story, visit the Demmer Library and the Three Lakes Historical Society Visitor Center where you can search the archives and genealogical records.

You can share your stories, pictures, history and more

by emailing curator@threelakesmuseum.org

in person at the museum

or by mail to TLHS PO Box 250, Three Lakes, WI 54562

The museum website will also host a link to a page for "Your Stories"

We will contact you if we have questions or need to verify something. All stories, pictures and information will be added to the TLHS & Museum archival database to be shared with members and visitors. If you do not want your submission shared more widely, include that note with your story.

PLEASE JOIN US IN THIS VERY SPECIAL PROJECT AND TELL US YOUR STORIES!

Future Three Lakes thanks you

****And a very special thanks to those who have already engaged in this project****
